Location of the traffic lights and works from Monday 26 October to Friday 13 November 2026

Please see the map bellow showing the location of the traffic lights and works area. A traffic management team will be on site during peak hours to actively manage the signals and help keep traffic moving as efficiently as possible.

Traffic Lights

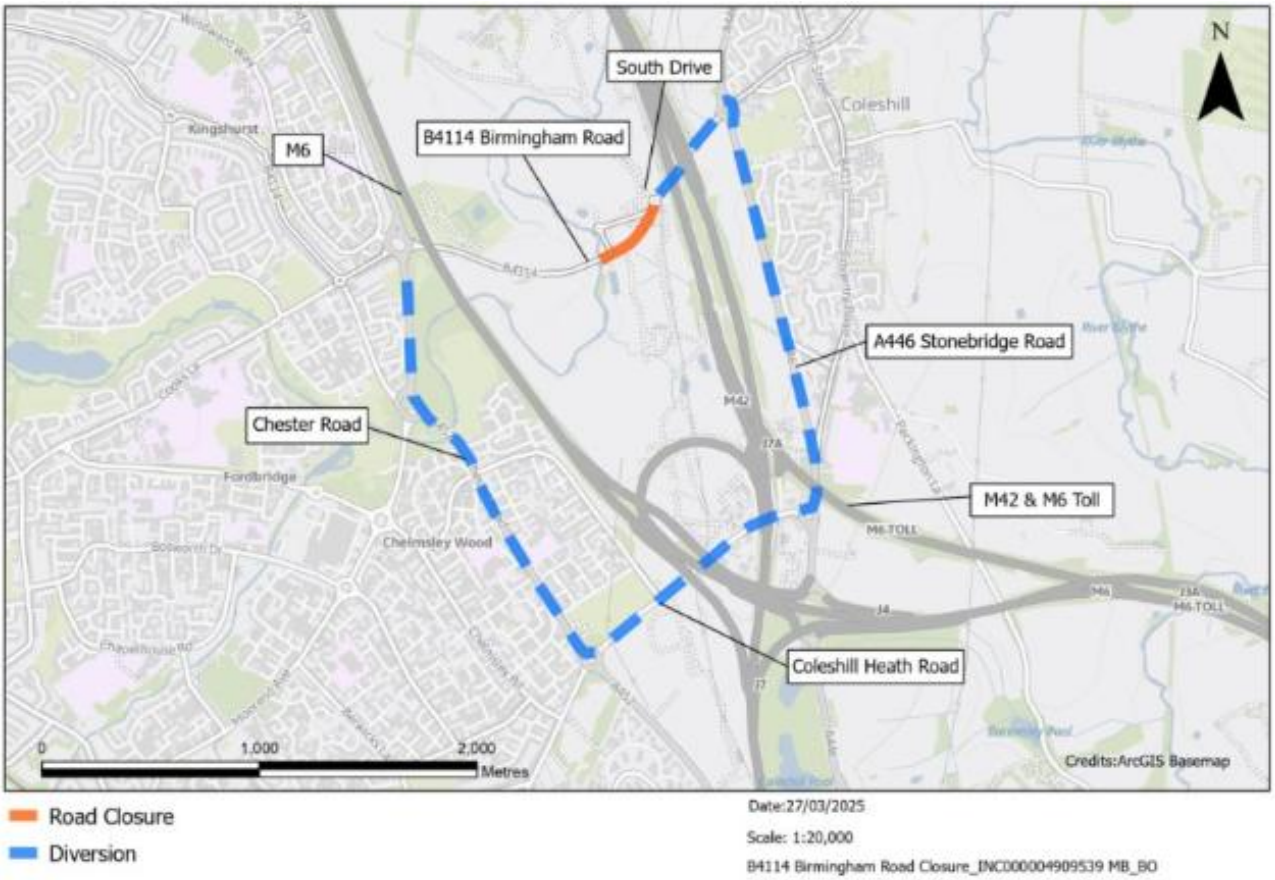
Location of works for the road closure and approved diversion route from Monday 30 November to Monday 14 December 2026.

There will be road closure at the roundabout on the A446 Lichfield Road to the roundabout on A452 Collector Road.

The diversion route for westbound traffic is A446 south to Coleshill Heath Road, Coleshill Heath Road to A452 Chester Road, A452 Chester Road to A452 Collector Road, A452 Collector Road to B4114 Birmingham Road where it ends.

The diversion route for eastbound traffic is A452 Collector Road to A452 Chester Road, A452 Chester Road to Coleshill Heath Road, Coleshill Heath Road to A446 Lichfield Road, A446 Lichfield Road to B4114 Birmingham Road where it ends.

Please see below a map showing the location of the closure and diversion route:



What we are doing

We will be carrying out essential works, including some repairs to the structure above the carriageway, including painting, concrete repairs and installing cover plates. Utility works will also be undertaken within the carriageway and footways.

What to expect

- Working hours will typically be between 7am to 6pm each day. However, the road closure and temporary traffic lights will remain in place 24 hours a day throughout the works period. This is because the traffic management cannot be safely removed and reinstated each day and ensures that the work area remains safe and secure. There may also be occasions when the team needs to carry out work during the evening to support the programme or complete specific activities.

- When the temporary traffic lights are in place, a traffic management team will be on site during peak travel periods to help manage traffic flows and minimise disruption.

- Pedestrian and cycle access will be maintained throughout the closure.

- Access to Woodlands Cemetery, the car boot sale field, and Coleshill Manor Campus will be maintained from A452 Collector Road roundabout.

- To minimise disruption, we have reduced the full road closure from four weeks to two weeks and will use temporary traffic lights where possible instead. While this may still result in some delays, it significantly reduces the impact on road users caused by a longer closure.

- These lights will operate 24/7 and a traffic management team will be on site to help manage traffic during working hours.

Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 Helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
For more information visit: **www.hs2.org.uk/independent-commissioner**
