Additional information

There will be pedestrian diversions in place. There will be three parking bay suspensions on Springfield Lane close to the junction with Kilburn Priory. Signage will be in place to inform road users and pedestrians.

We will access to the sewer through manholes. We will jet wash the sewer to ensure clear visibility and then use a camera to inspect the condition. We will have traffic cones and barriers in place to ensure a safe working area.

You may notice some noise from the jet washing machine. We will use noise reducing barriers where possible.

We apologise for any inconvenience this work may cause.

Where we will be working

The location of the works is shown on the map below.
