SKANSKA COSTAIN STRABAG Working in partnership with HS2

Install of ground monitoring equipment, Darwin Court, Camden

HS2-SCS-26- 2775

Location
Darwin Court along Gloucester Avenue, Camden

Duration
Sunday 6 to Sunday 13 December

What we are doing
We will install ground monitoring equipment within the garden area at Darwin Court

What to expect
During these works, you may notice:

- Some noise from drilling activity
- Workers and equipment within the garden area at Darwin Court
- Temporary suspension of six parking bays, including two car club bays, along Gloucester Avenue
- A temporary footpath closure and signed pedestrian diversion during the lifting of the drilling rig into and out of the garden area

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

Monitoring tunnel progress

The monitoring equipment, known as deep datum, will be installed underground to help us accurately measure small movements in the ground as our tunnelling works progress. Once installed, our team will initially return monthly to take measurements. This will increase to weekly visits as the tunnel boring machine approaches this area, and daily monitoring as it passes the area.

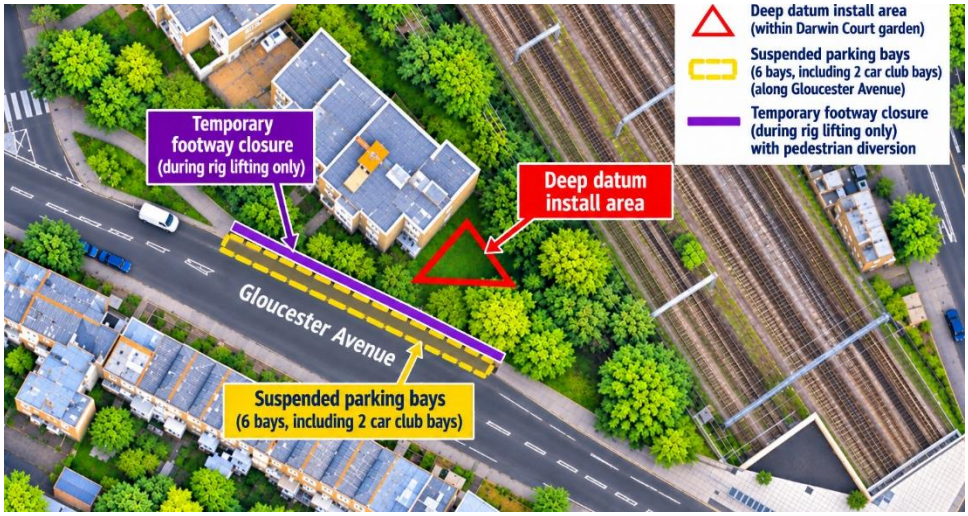
Working hours and traffic management

We need to work on Sunday 6 December and Sunday 13 December to bring the drilling rig in and out of the garden. To allow for safe movement and facilitate deliveries, we will temporarily suspend six parking bays, including two car club bays, along Gloucester Avenue from 6 to 13 December. We will also close a section of the footpath when moving the rig and divert pedestrians onto a temporary footpath. These activities are expected to take approximately two hours each Sunday.

The install works will take place during our core working hours of 8am to 6pm, Monday to Friday.

Where we will be working

We will install the monitoring equipment within the garden area on the south side of Darwin Court, as shown in the image below.



Please contact us if you'd like a free copy of this document in large print, Braille, audio or 'easy read' format. You can also contact us for help and information in a different language.

Holding us to account

If you are unhappy for any reason, you can make a complaint by contacting our HS2 helpdesk team. For more information, visit: **www.hs2.org.uk/how-to-complain**

We have an independent Residents' and Construction Commissioner who helps settle disputes and monitors the way in which we manage and respond to complaints about construction.
For more information visit: **www.hs2.org.uk/independent-commissioner**
