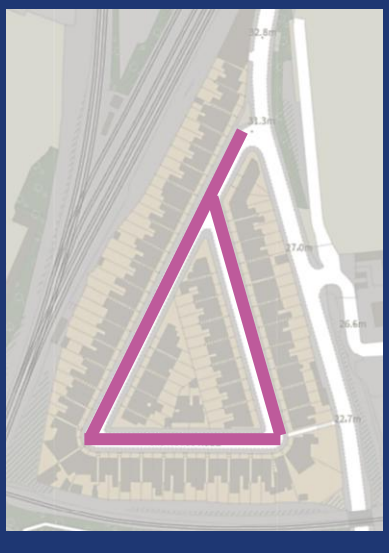
Balfour Beatty VINCI SYSTRA Working in partnership with HS2

# Old Oak Common Lane: single lane closure for Wells House Road stairs work – Update November 2026

## REF: HS2-OOC - SCP-26-2792



### For the attention of:

**Residents of Wells House Road**

### Location

Old Oak Common Lane, between the site entrance and the railway bridges

### Duration

Friday 24 July 2026 – 4 December 2026
Intermittently as required – see details overleaf, **updated on Monday 23 November**.
Please note, these are subject to change, and we may not close the lane on all dates listed.
Working hours: 8am-5pm (although the lane closure will last until up to 6pm)

### What we are doing

We are closing a single lane of traffic, to allow space, so that we can rebuild the pedestrian stairs between Wells House Road and Old Oak Common Lane.

### What to expect

A closure of the north-bound lane on Old Oak Common Lane. A two-way temporary traffics lights system will be in place to regulate traffic. Lane closures will be during regular working hours during the week. The temporary south-bound bus stop near the site entrance will be closed during the lane closures.

Other activities related to the stairs, including steel and concrete works, were notified in the AWN **Wells House Road stairs: upcoming works (ref: HS2-OOC - SCP-26-2218)**

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you. Should you have any questions or concerns about our works you can contact us by:

**Freephone** 08081 434 434 **Minicom** 08081 456 472 **Email** HS2enquiries@hs2.org.uk
**Writing to** FREEPOST HS2 Community Engagement **Website** www.hs2.org.uk

Keep up to date with what is happening in your local area at **www.hs2.org.uk/in-your-area/in-your-area-map/**

## Access to Wells House Road

To minimise disruption for residents of Wells House Road we will be doing the majority of the work on the stairs from the footpath on Old Oak Common Lane. This includes concrete pouring and lifting into the steel support structures. Pedestrians will be able to pass along the east side of Old Oak Common Lane throughout our work without interruption. We will be signposting these lane closures clearly from the north and south on large road signs to minimise congestion while making clear that the road remains open to two-way traffic.

## Additional information

These closures are on limited weekdays and minimise disruption there will be no lane closures over the weekends, please see timetable below. We will update this notification and the community noticeboard when there are programme changes.

| Date | Time | Closure | Reason |
|---|---|---|---|
| Thursday 24 September and Friday 25 September | 8am – 6pm | Lane closure | Install steel support frame and wall fittings |
