

# Park Lane construction compound update

June 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

## Notification

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty Vinci (BBV) is working on behalf of HS2 Ltd to build the new railway in your area.

### What we are doing:

To support the building of the railway, we need to construct compounds along the route including one at Park Lane.

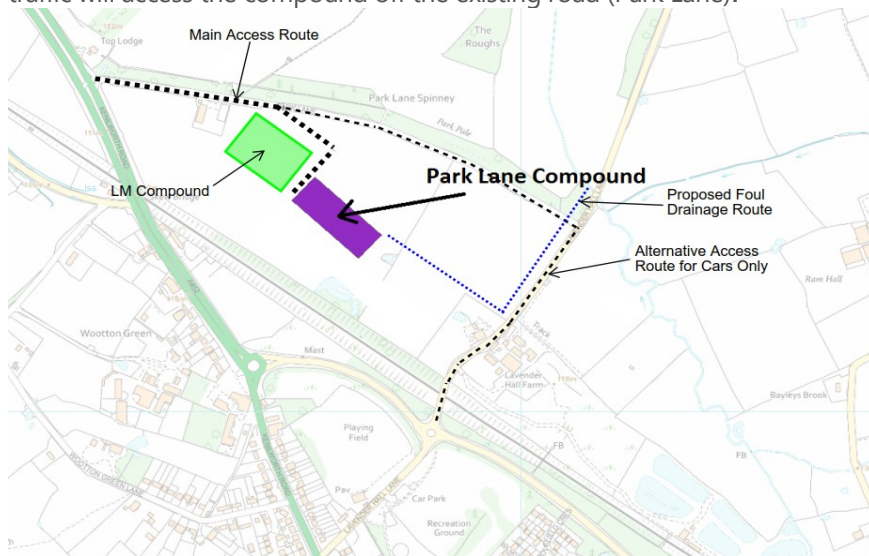

### Construction update:

LM are currently carrying out works in the area including constructing a new roundabout on the A452 and have a construction compound off Park Lane (see map below). BBV expect to start constructing their main compound in Park Lane in mid-June 2020 and will take up to eight months to complete and include office space, welfare facilities for site workers and areas to store materials.

The work will start week beginning **15th June 2020** with Portacabins being delivered to the current compound and construction will start week beginning **22nd June 2020**. Once complete we will start the main civils construction work.

### What are the traffic routes for this location?

The compound is located off Park Lane (please see map below) Construction traffic will access the compound off the existing road (Park Lane).

## Duration of works

The work will start week beginning 15<sup>th</sup> June 2020 and will take up to 8 months to complete.

## What to expect

Core working hours will be 8am to 6pm on weekdays (excluding bank holidays) and from 8am to 1pm on Saturdays with an hour before and after these times to set up or secure the site.

Some noise from on-site machinery during working hours.

## What we will do

Inform you in advance of any changes to the dates shown.

Ask you to register with [hs2insolihull.co.uk](http://hs2insolihull.co.uk) to receive updates

# Park Lane construction compound update

June 2020 | [www.hs2.org.uk](http://www.hs2.org.uk)

## What to Expect

Compound construction will begin with Portacabins being delivered to the BBV compound and will be followed by delivery of materials to carry out essential utility works in order to supply water, electricity and telecommunications to the compound and to resurface an area of land within the compound to construct a staff car park followed by the construction and connection of the offices.

## Work Force Travel Plans

Once the compound is completed in early 2021, we will produce an effective work force travel plan helping us to minimise our impact on the local communities, environment, road network.

## Information about HS2 construction works during the coronavirus (COVID-19) pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

## About our Community and Business Funds

HS2 offers two funds that are available to local communities and businesses in Birmingham and the West Midlands, to help with any disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

**For more information about each of these funds, including how to apply, please visit: [www.groundwork.org.uk/hs2funds](http://www.groundwork.org.uk/hs2funds)**

## About our 'HS2 in Warwickshire' website

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us to keep you up to date about the progress of the project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

**Our dedicated website for the Warwickshire area is available at: [hs2insolihull.co.uk](http://hs2insolihull.co.uk)**

On this website, you can also sign up to receive regular news alerts of work happening in your area and see the list of upcoming events offering you the opportunity to meet with HS2.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
