# Notice of night work near Chiltern Line

January 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

## Being COVID-19 Compliant

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at [www.hs2inhillington.co.uk](http://www.hs2inhillington.co.uk).

## What we are doing

From the week commencing 25 January 2021, we will carry out sheet piling works next to the Chiltern Line, shown on the map overleaf. This work will help us to support the railway during the excavation works needed for the construction of an overbridge as part of the Harvil Road realignment.

Steel sheet piles will be installed in sequence along the planned perimeter and pressed into position. A piling rig will be used to push the sheets into the ground.

## How this work might affect you

A piling rig, cranes and construction machinery will be visible in the area during these works.

Due to the location of the sheet piles installation the work will take place during a period where the Chiltern Line has no trains on the tracks for the safety of the operatives and rail users.

This being the case the work will take place during the hours shown on the blue panel.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

### Duration of works

The activity will take place from **25 January to 12 February 2021** and from **1 April to 16 April 2021**.

Our working hours will be **11pm to 6am** Monday to Friday.

We may be on site for an hour before the start and/or end of each shift.

### What to expect

Delivery and set up of equipment, cranes and piling rigs.

Noise will be of a low level and not intrusive.

### What we will do

Any lights needed for work will only face works activity.

We will conduct noise and vibration monitoring to ensure works are within project approval limits.

We will use water carts to reduce the amount of dust, in the unlikely event that we cause any.

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)
