

## Notice of pipeline diversion works north of Curborough, Lichfield

February 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent will be moving an underground gas pipeline off Wood End Lane, north of Curborough. We expect to complete all our work by the end of 2021.

### What are we doing?

Before we start the main work to move the pipeline, we need to carry out some preparation works on land north of Wood End Lane for around three weeks from 1 March 2021. The works involve:

- **Removal of some vegetation on land north of Wood End Lane.** Appropriate ecological surveys will be undertaken before any vegetation clearance. Our ecologist will be present throughout the activity to ensure there is no disruption to local wildlife.
- **Enhancing our site access off Wood End Lane (see map overleaf).** We will also be using temporary traffic lights on a section of Wood End Lane so we can prepare the site access safely. This has been discussed and agreed with Staffordshire County Council.

We will keep local people up to date as we progress to main diversion works.

### How will this affect you?

The temporary traffic lights on a section of Wood End Lane will only be used occasionally and wherever possible, outside of peak traffic times. Signs will be in place to make road users aware.

While we are on-site, we'll need to close the footpath that runs north of Wood End Lane during the usual HS2 working hours. We'll ensure it's safe to use at other times by fencing this off from our access and working area. We apologise for any inconvenience that the footpath closure may cause.

**If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk)**

### Duration of preparation works

- 1 March 2021 for around three weeks
- Our core working hours will be 8.00am to 6.00pm (Mon-Fri) and 8.00am to 1.00pm (Sat)
- We will be on-site one hour either side of these times for set-up and close-down

### What to expect

- Temporary traffic lights on Wood End Lane while we prepare our site access
- Footpath running north of Wood End Lane closed during usual working hours
- Standard vehicles and equipment will be used

### What we will do

- Keep all sites safe and secure
- Inform people in advance of any changes

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

## About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:  
<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :  
<https://www.gov.uk/government/organisations/high-speed-two-limited>

## Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

### Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: [www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at: [residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

### Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: [complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

### Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

[www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)

Find out if you're eligible for compensation at: [www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)

### Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: [www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)

## Contact Us

If you have any questions about this notification of works, please get in touch.
