

Notice of works at Pynesfield Quarry, Tilehouse Lane, West Hyde

High Speed Two (HS2) is the new high speed railway for Britain. Due to ongoing works at our main works compound in West Hyde, we need to close the existing public access route from Denham Way towards Pynesfield Quarry to all users except works traffic from mid-March 2020 until early 2025. This means that two Public Rights of Way (PRoW) and bridleways will be closed for the next five years.

Changes to Public Right of Way access during the works

The PRoW/bridleways CSP/44/1 and RICKS/004 will be closed for approximately five years whilst HS2 works are completed in the main works compound. Please use the existing public footpath and rights of way indicated overleaf for your journey.

How will this affect me?

A diversionary route is available for all existing access routes which join the suspended bridleways. Signage for wayfinding is in place and has been displayed on existing signage posts, wherever possible. Please find below a map of the diversion route via open PRoWs in the surrounding area.

As work progresses, it may be necessary to make further changes to PRoW access in this area. We will write to residents to let them know before changes are made.

Following on from our notice last year we are also continuing works excavating the cutting for the tunnel portal, creating an embankment (bund) to the north of Chalfont Lane to screen the works from residents in Maple Cross and building platforms for temporary two-story site offices and welfare facilities. There will also be additional Ground Investigation works in the area around Tilehouse Lane.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route. www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
