Upcoming works in the Camden Cutting area

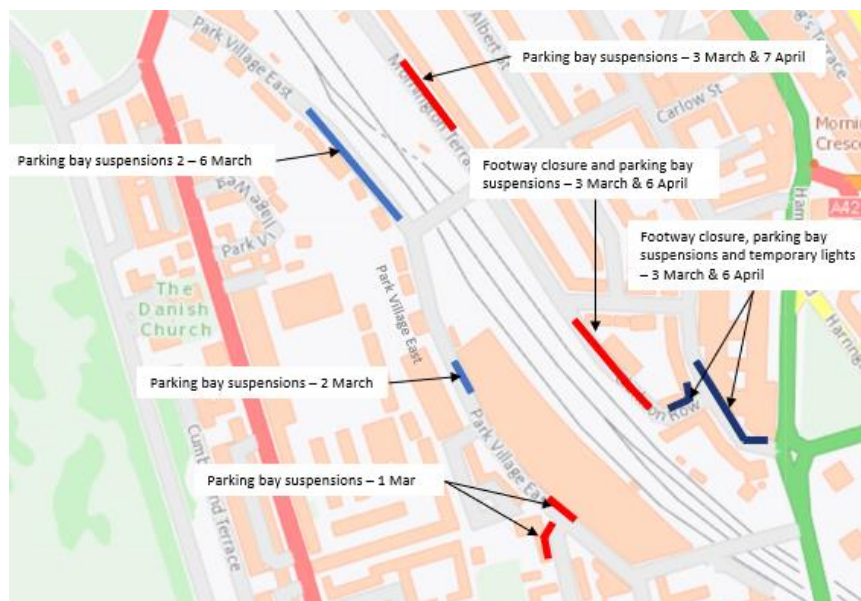

February 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Trial of vibratory sheet piling – 18 and/or 19 February

On 18 and/or 19 February we will carry out a trial of vibratory sheet piling ahead of the main sheet piling works planned for the 24/7 Network Rail closure 2 April until 17 May. The trial will involve installing six sheet piles, during the day, south of Mornington Street bridge. For information on piling please refer to our fact sheet on HS2incamden.co.uk. The trial will help us identify measures to reduce noise and vibration where possible during the Network Rail closure. It is likely nearby residents will perceive some vibration during the trial and later during the Network Rail closure. Please be reassured that even if vibration from these piles is felt, the piles will not cause ground movement.

Map 1 – Utility surveys – 1 to 6 March and 6 to 8 April

We will carry out CCTV drainage surveys between 1 to 6 March and 6 to 8 April on Park Village East, Mornington Terrace, Mornington Place, Mornington Crescent and Clarkson Row. These surveys will determine the condition of the drains and whether we need to carry out any protective measure to these utilities ahead of starting excavations and tunnelling in the railway cutting. Access to the drains will be via existing manhole covers. These works will require lane closures and parking bay suspensions as shown on map 1.

Duration of works

February to May

Core hours: Mondays to Fridays, 8am to 6pm and Saturdays 8am to 1pm, if required

We may be on site for an hour before the start and/or end of each shift

What to expect

Trial holes on Park Village East – 8 to 12 March

We will carry out two trial holes within the planter on Park Village East to finalise the design for the upcoming ground strengthening works to the Network Rail retaining wall. We will carry out these works during core hours and require closures to sections of the footway between Parkway and Mornington Street Bridge. Please see map 2 for details.

Installing ground monitoring equipment on Park Village East – 8 March to 29 May

We will install ground water monitoring equipment within the footway and carriageway on Park Village East. The work will take place during core hours and will involve closures to the footway and carriageway and parking bay suspensions. This work will occur in stages as shown on map 2 below.

UKPN phased lane closure from February

UKPN are currently excavating trenches to install electricity cables along Park Village East as part of an ongoing phased work programme. See Map 2. The works began on 1 February and are expected to continue until 31 March on Park Village East after which the team will move to Mornington Street bridge and Mornington Terrace. There will be closures to sections of the southbound lane between Stanhope Street and Mornington Street Bridge and parking bay suspensions as works progress. About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
