

Update of sewer construction works on Harrington Street

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites remain under constant review. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

Update on works for Harrington Street

We wrote to you last year to let you know about sewer construction works that started on 12 October 2020, as works progress through phase 5 we have decided to combine phases 6 & 7 to minimise disruption to the area and reduce the construction time on site.

Overview of sewer construction works

Sewer construction works started on 12 October 2020 on Harrington Street. The works will continue in phases until end summer 2021 to maintain access to the street buildings.

We have completed first 4 and phases and constructed a 3m diameter manhole at the junction with Varndell Street and working northwards laying down the sewer pipeline along the west side of the road. The pipeline will be connected to the 2.4m and 2.1m diameter manholes, which yet to be constructed at the junction with Mackworth Street.

To carry out excavation works safely we will need to close the west side footpath in each location of works. The east side of the road will be used as a safe running lane for the machinery and emergency services, refuse collection will be maintained at all times.

The initial digging/breaking out of the road surface will be the noisiest activity, although this will be intermittent. We will erect acoustic panels to reduce noise. Utility supplies and other services will not be affected by these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

From 12 October 2020 until end September 2021 in phases

Working hours:

Monday to Friday 8am – 6pm,

Saturday 8am – 1pm

We may be onsite for one hour either side of the hours above for start-up and shutdown

What to expect:

Notification

Phase 6 & 7. Works in front of the Harrington House access road / Junction with Mackworth Street

From mid-June to end September works will be carried out in front of the Harrington House access road and road will be closed up to Mackworth Street. We will continue excavation works and laying the pipeline.

Vehicular access to Harrington House including emergency services and refuse collection will be via Varndell Street - Harrington Street South and maintained via tuff track covered footpath.

Pedestrian access to Harrington House will be only via Stanhope Street.

During phase 7, we will construct 2.4m and 2.1m diameter manholes and finalise pipework connection at junction of Mackworth Street. The road will be closed during this phase.

We will maintain London Fire Brigade access to Langdale in case of emergency via southbound lane. Footpath will remain open on the east side and northern side of the road.

We will continue to notify you of further phases in due course. Please sign up to receive updates at www.hs2inCamden.co.uk.

Phase 6 & 7– Work in front of Harrington House access road from mid-June to end September 2021

Temporary vehicular access into Harrington House via Varndell Street – Harrington Street

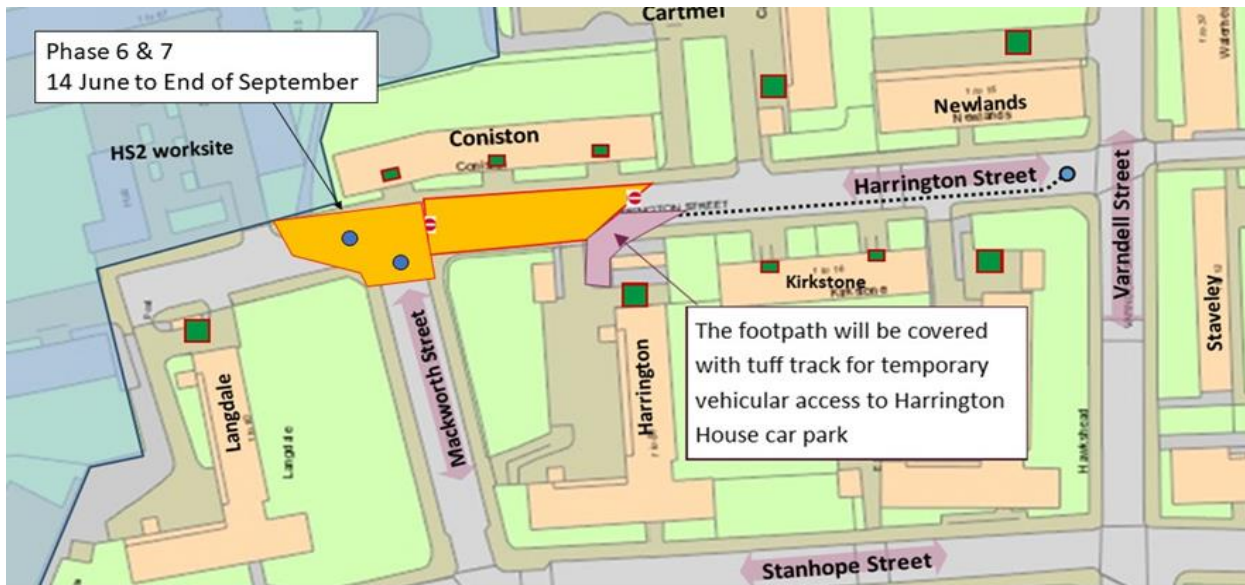

Phase 6 & 7 – Work in junction of Mackworth Street junction Harrington Street.

Access to emergency services to be maintained

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
