

Update: Vegetation clearance at Canterbury Works site

February 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Removal of vegetation from 5 March 2021

As part of our ongoing works, we will be clearing vegetation within our Canterbury Works site. The vegetation removal works are planned from 5 March for approximately one week. We will be working Monday to Friday 8am to 6pm and Saturday 8am to 1pm if required.

These works will take place along our site boundary with St Mary's Catholic Primary School (CPS). A map showing the location of the works is included on the next page. To ensure safety during these works a small exclusion zone may be required within the school grounds. We are speaking with St Mary's CPS about this.

We will continue to monitor our working methods to ensure that any disruption is kept to a minimum. The dates and times may change due to unforeseen circumstances. We will keep you informed at HS2inKilburn-Northolt.co.uk.

Upcoming online community update meeting

We are planning to hold an online community update meeting about our ongoing and upcoming works at the Canterbury Works site during March 2021. We'll provide more information to you shortly about how to register and attend this.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
