

Notice of utility surveys on Park Royal Road and Lower Park

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Drainage surveys on Park Royal Road - March 2021

We will be carrying out drainage surveys on Park Royal Road during the last two weeks of March. The surveys will help us to investigate the condition of the drainage and consider the best way to protect the drainage while we build HS2. We may need to flush the drainage using a high-pressure water jet.

The surveys will take place in two phases between 15 - 26 March. We will start phase one on the 15 March and when that is complete move on to phase two.

Works will take place between 8am to 6pm on Mondays to Fridays and from 8am to 1pm on Saturdays (if required).

Temporary changes on Park Royal Road

A partial lane closure and temporary traffic lights will be in place during the surveys. We will also need to temporarily suspend parking bays on Park Royal Road and Bus Stops E and F will be closed during the above dates. A map showing the location of the surveys and temporary changes is included on the next page.

Dates mentioned in this notification may change due to unforeseen circumstances. We will continue to provide updates about our works at HS2inOldOak.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Park Royal Road: Two phases from 15 March to 26 March 2021

Lower Park: 15 March to 26 March 2021

Working hours

8am to 6pm Monday to Friday

8am to 1pm Saturdays (if required)

We may be on site for an hour before the start and /or end of each shift

What to expect

Temporary lane closure with traffic lights to keep staff safe and traffic flowing

Temporary bus stop and parking bay suspensions

A water tanker will be on site should we need to clear any blockages

What we will do

Your utility services will not be affected

We will provide updates at HS2inOldOak.co.uk

15 March to 26 March - Lower Park utility surveys and trial holes

We will be carrying out a series of ground penetration radar surveys within Lower Park as well as digging additional trial holes in the area. These works will help us establish the condition of the current sewer system and identify other services below the ground in order to protect them during the construction of the railway. We will use handheld tools during the trial hole works but may need to use mechanised tools to initially break through the concrete. During the work we will put mitigations in place such as noise blankets and water dampening down of dust if required. These measures will aid to keep any disruption to a minimum.

Contact our new HS2 Helpdesk team

Our new Helpdesk team is based in our Head Office in Birmingham. This is so that we can provide you with the best service possible. Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
