

Notice of Utility Cable Installation

January 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Western Power Distribution (WPD) will be delivering utility works to prepare for the construction of HS2.

What are we doing

In order to construct the railway it is necessary to divert a number of High Voltage Electricity cables currently situated in the vicinity of the proposed HS2 infrastructure.

Due to the extensive development works in and around the area associated with the Water Orton viaduct construction. Western Power Distribution will be diverting two existing High Voltage Cable circuits through the Severn Trent Water sewage works land in Coleshill.

Working during Covid

WPD is delivering these works as part of the HS2 construction programme. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with Government and Public Health England (PHE) advice on dealing with COVID-19. Please be assured that those sites that are working are doing so because they can operate within Public Health England and construction industry guidelines.

How will this affect me?

All Works are within the Severn Trent land and Western Power Distribution substation in Hams Hall, Coleshill. For all trench excavation and cable installation works the working hours will be Monday to Friday 0700hrs to 1800hrs, on Saturdays our working hours will be from 0700hrs to 1300hrs. For HDD (Horizontal Directional Drilling) activities the working hours will be Monday to Sunday 0700hrs to 1900hrs. As the works are not within the highway there will be limited disruption to local businesses, but there will be an increase in construction traffic although vehicle movements will be kept within the required limits.

Notification

Duration of works

The works will begin on w/c 18th January 2021 and are expected to last until October 2021.

What to expect

Excavation and cable installation within the Severn Trent Sewage works land. There will also be some vegetation clearance.

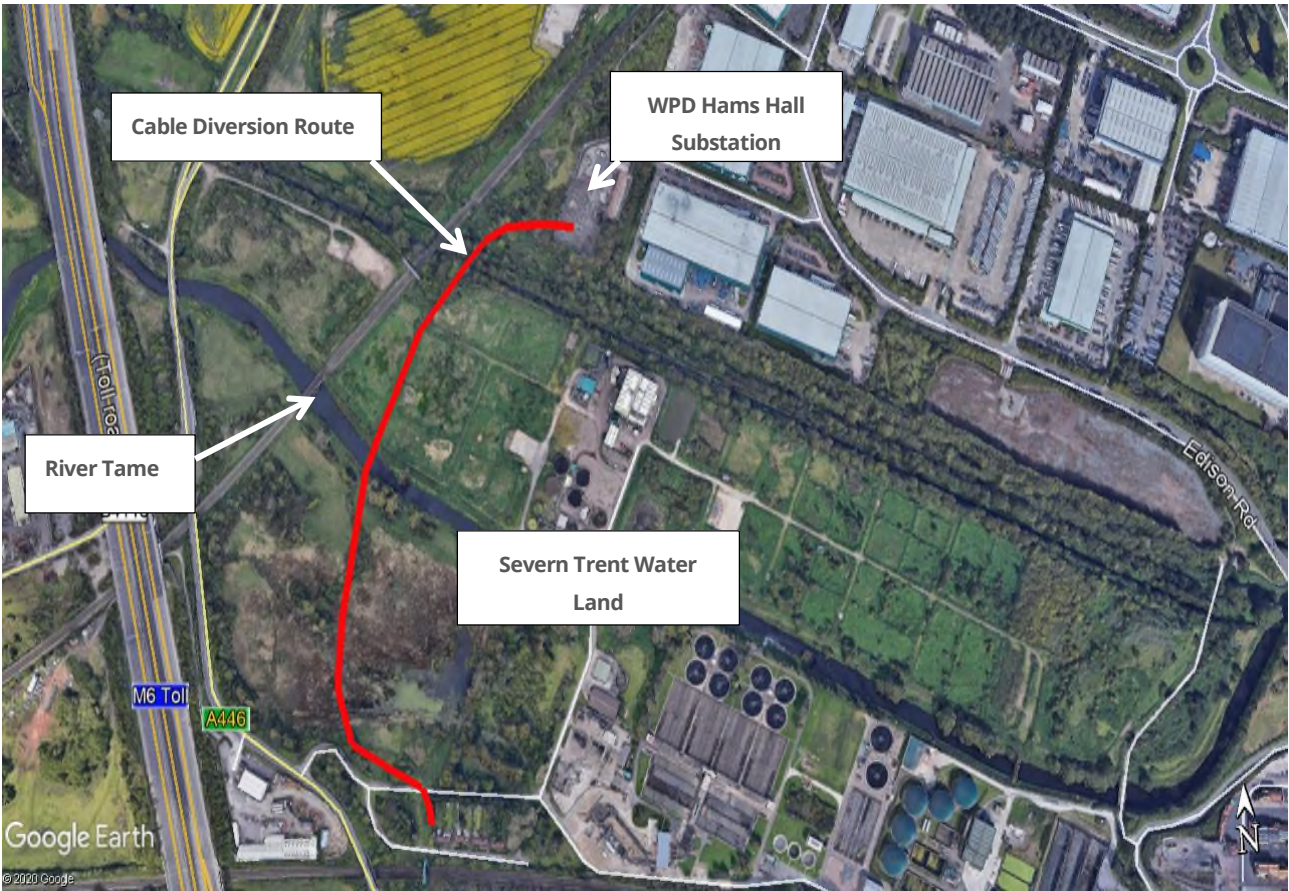

Working hours

Our normal working hours will be from 07:00 to 18:00 on Mondays to Fridays. From the end of February until the End of June, we will be working 12 hour shifts. Seven days per week.

What we will do

We will keep our site clean and tidy, and advise you of any change to our working hours.

Works Location Map

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner
You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
