

Update: utility works at Parkway and Camden Cutting

High Speed Two (HS2) is the new high speed railway for Britain.

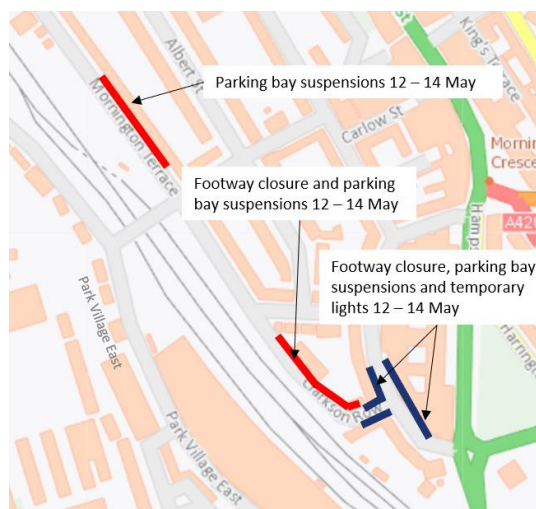

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured only sites that can operate within the guidelines are operational. You can sign up for regular updates in your local area at [HS2inCamden.co.uk](https://hs2incamden.co.uk).

CCTV utility surveys in Camden Cutting area - 12 to 14 May

We recently carried out CCTV drainage surveys on streets surrounding the Camden Cutting, to assess the location and condition of underground utility services.

Due to UKPN works in the area, we were unable to carry out the CCTV utility surveys on Mornington Terrace, Clarkson Row and Mornington Crescent last month. We have now rescheduled these surveys for the 12 to 14 May.

We will require footway closures, temporary traffic lights and parking bay suspensions to carry out the surveys. Please see the map below for details.

For further information please see our original notice 'Upcoming works in the Camden Cutting area'

Notification

Duration of works

May to June

Monday to Friday 8am to 6pm, and Saturday 8am to 1pm

Overnight utility surveys on Parkway on 17 May 8pm to 5am

What to expect

Traffic management and parking bay suspensions for utility surveys

Footway closure adjacent to hoarding on Park Village East

Bus stop 11996 suspended overnight on 17 May

What we will do

We will provide updates at [HS2incamden.co.uk](https://hs2incamden.co.uk)

Please contact our HS2 Helpdesk team on 08081 434 434 or HS2enquiries@hs2.org.uk with queries

Parkway overnight CCTV utility survey – 17 to 18 May

Due to unforeseen circumstances, we were unable to complete the CCTV drainage survey of the sewer beneath Parkway, planned for the night of 12 April. We have now rescheduled this survey for 17 May and will carry it out overnight to limit the impact on local businesses and residents.

This survey will involve temporary closures to sections of the northbound, southbound and eastbound lanes on Parkway and Albany Street, from 8pm on 17 May to 5am on 18 May. Temporary traffic lights will be in place to manage traffic flow. Bus Stop 11996 on Gloucester Avenue will also be temporarily suspended from 8pm on 17 May to 5am on 18 May. Please see the map below for further details.

For further information please see the previous notice 'Update: utility surveys & trial holes on Parkway and Albert Street'.

Removal of Park Village East hoarding for substation install – extended to 14 June

Last month we removed a section of the hoarding on the corner of Park Village East and Granby Terrace to make way for the install of an onsite substation. Due to delays the substation install will be completed on 14 June. The section of the footway immediately adjacent to this hoarding will remain closed until the hoarding is replaced.

As stated in our recent notice, 'Hoarding graphics install on Park Village East,' we will install the graphics on this section of hoarding once it is replaced.

For further information, please refer to the original notice 'Electricity substation install on Park Village East'

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
