Directional signage installation, Denham

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

What works will be taking place?

We are installing signs to direct vehicles and the emergency services to ensure that the correct and agreed routes are used to access our compound at the South Portal off Chalfont Lane, West Hyde. These signs are being installed at key junctions on the main road network around Denham.

How will this affect you?

On the A412 Chalfont Lane junction installation will take place Monday 15 March 2021 to Tuesday 16 March 2021 and on the A412 Tilehouse Lane junction these works will be completed Tuesday 16 March 2021 to Wednesday 17 March 2021. To carry out these works safely temporary traffic lights will be in operation between 9pm to 5am on these dates. Advanced warning signs will be in place two weeks before the works take place.
