Dear Neighbour,

NOISY OVERNIGHT WORK – Primrose Hill

We will be working near you overnight, across nine shifts from **Sunday 21 February** until **Sunday 28 March 2021** carrying out maintenance and inspections on the overhead line equipment. I'm sorry if our work disturbs you, it could be noisy at times and we will be using lights overnight. We will do our best to keep disruption to a minimum, but you may notice increased activity in the area.

We will be checking for faults and defects along the overhead lines using handheld power tools, cherry pickers and low-level lighting. The work will help improve safety. Site access will be via **Juniper Crescent, NW1 8HQ**.

Please see shift details below:
