Notice of Hornhill Road closure, Maple Cross

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. We have postponed all face-to-face engagement events and meetings and have put in place a number of channels to communicate with communities, such as letters and phone calls, as well as updates and alerts from each of the local community websites. You can sign up for regular updates in your local area at www.hs2inherts.co.uk

Closure of Hornhill Road

We will be closing Hornhill Road to carry out some engineering surveys. In order to undertake these works safely the road will be closed overnight between Hornhill Road and The Dumb Bell Pub in Shire Lane. Access will be permitted for residents and emergency services. A diversion route will be in place along Link Road, Shire Lane, West Hyde Lane, Denham Lane and Rickmansworth Lane.

Any Public Rights of Way will be maintained wherever possible, however whilst works are taking place access will be managed by on site staff with signage and traffic marshalling for pedestrians.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434434 or email hs2enquiries@hs2.org.uk
