Notice of weekend closure on a short section of the B4438 in March

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're improving the local road network

We are remodelling and improving sections of the existing road network in the area, and creating new routes on HS2 land, which will connect to four new highway bridges. These road improvements will ensure that when the future station is operational, the local road network is fit for purpose. To enable us to connect parts of the existing road network, to the new routes we create, a series of weekend road closures will be installed in 2021 on and around Northway Island.

We'll be installing a weekend road closure in March

To carry out this work safely, we will install a temporary, weekend road closure on a short section of the B4438 from 8pm on Friday 26 March, to 5am on Monday 29 March.

Our contractors may be on site up to an hour before and after those times to set up and close down the site. A signed diversion route will be in place for drivers during the weekend closure (see map on next page). If work progresses faster than expected, we will reopen the B4438 earlier if possible.

HS2 during the coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Weekend closure on a short section of the B4438 from 8pm on Friday 26 March, to 5am on Monday 29 March.

What to expect

Our contractors may be on site up to an hour before and after those times to set up and close down the site.

A signed diversion route will be in place for drivers during the weekend closure.

What we will do

Keep all sites safe and secure.

Maintain access to all buildings and businesses in the area.

Leave the area in a tidy state when works are complete.

Be the voice of your community on the Construction Commissioner Steering Group

We are delighted to announce that applications are now open for residents across Phase One of the HS2 route to become Local Community Representatives.

As part of the Construction Commissioner Steering Group (CCSG), you will represent your community, share and communicate a range of experiences and perspectives as Britain's new high-speed railway is built, and also help to monitor the performance of the Independent Construction Commissioner (ICC).

We are seeking to recruit a number of Local Community Representatives to sit on the CCSG, which is independent of HS2 and the Department for Transport.

For more details about these exciting opportunities and how to apply, please visit: www.hs2insolihull.co.uk. If you have any questions about the CCSG or about becoming a Local Community Representative, you can also contact: community@hs2.org.uk

Applications close on Friday 26 March 2021

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses across Birmingham and the West Midlands, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: www.groundwork.org.uk/hs2funds

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
www.gov.uk/government/collections/hs2-property
Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
