

Notice of works to prepare for construction of conveyor

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Vegetation clearance works next to Dudding Hill bridge foundations in Flat Iron and Atlas Road sites

During 2021, we will build a conveyor system between our sites in Old Oak and Park Royal to allow for the movement of excavated material between sites. This will assist with reducing construction traffic on local roads while we build HS2.

We are preparing to install the conveyor foundations within our sites. As part of these works, we will be carrying out vegetation clearance next to the Dudding Hill Bridge foundations on Victoria Road. We need to trim six trees and remove one tree along the conveyor route in this area.

Work will be completed in two phases between 29 March to 2 April:

- **Phase one** – Northern abutment of Dudding Hill bridge from 29 March to 30 March 2021
- **Phase two** – Southern abutment of Dudding Hill bridge from 31 March to 2 April 2021

During these works we will be installing a safety exclusion zone with a partial footpath and lane closure on Victoria Road. Traffic management will be in place during our working hours and will be manually controlled to maintain traffic flow. Bus Stops V & N on Victoria Road will be temporarily suspended during these works. A map of the two phases and traffic management can be found on the following page.

The dates may change – we will provide updates at HS2inOldOak.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk
