

Notice of soundproof test at Melton Street site

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) guidance on COVID-19. The Government's strategy makes it clear construction can continue as long as it complies with this guidance. All sites remain under constant review. You can sign up for regular updates in your local area at: HS2inCamden.co.uk

Soundproof test update

This is an update to the notification we issued regarding soundproof tests at the Melton Street site (https://assets.hs2.org.uk/wp-content/uploads/2021/03/11175301/ANL_Sound-Trial-March-2021-FINAL.pdf). We now expect these tests to take place **week commencing 29 March 2021**. This is later than we originally planned due to coordinating other works in the area. We need to undertake the tests when there is a reduction of surrounding noise so that we can have accurate readings.

As previously mentioned, we will measure how much noise the acoustic shed at Melton Street will contain. The tests will be for one day only, mid-morning, and late evening when there is reduced traffic and surrounding noise. The soundproof test will be within the acoustic shed in our Melton Street site. The acoustic shed has been purpose-built to allow us to mitigate noise from construction activities such as concrete breakout.

What to expect

- Intermittent concrete breakout using excavator and breaker within the acoustic shed at the Melton Street site
- During testing we will open and close the acoustic shed door
- Site operatives will be using handheld monitors close to residential properties during testing times
- Mid-morning 10am – 12pm (intermittently)
- Late evening 8pm – 10pm (intermittently)

This work is not expected to be noisy.

If you have a question about HS2 or our works, please contact our HS2

Notification

Duration of works:

Week commencing 29
March 2021 (one day only)

Working hours:

Mid-morning

- 10am – 12pm

Late evening

- 8pm – 10pm

What to expect:

- Use of excavator and breaker within the acoustic shed at Melton Street site
- Temporary noise monitors outside of residential properties
- This work is not expected to be noisy

Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
