

Update: sheet piling in the Westgate site

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under

Our recent notification advised that we would be carrying out piling works at our Westgate Site from early-April 2021.

These works are still scheduled and will take place from 8 April. The majority of the works are planned to take place during the day from 8am to 6pm. However, we will need to carry out some works overnight on 10 and 17 April, from 12 noon Saturday to 12 noon Sunday. For safety reasons the works must take place during a railway track possession when trains are not running.

You can view the location of these works and further information from our previous notification [here](#).

The dates mentioned in this notification may change due to unforeseen circumstances. We will provide updates about our works at HS2inKilburn-northolt.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
