Overnight road closures - A452 Kenilworth Road

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Overnight closures on the A452

Following our works to remove the traffic cones and barriers on the A452 at Berkswell, near Park Lane, LM will now need to close each carriageway between the Aston Martin roundabout and the Beefeater roundabout in early April to refresh road markings along the route. Park Lane will remain closed.

What to expect

7 - 8 April: Overnight road closure on the northbound carriageway 8:00pm to 6:00am.

8 - 9 April: Overnight road closure on the southbound carriageway 8:00pm to 6:00am

All works are subject to consent, site, and weather conditions. Dates are also subject to change.

Following these works, the A452 will re-open for public use until the next phase of works for the construction of the roundabout at Park Lane, which we will notify you about in the coming months.

Further information

Local diversions will be clearly signposted. Access for residents and businesses within the closure will be maintained by approaching the traffic marshal at the relevant closure point.

HS2 and the COVID-19 outbreak

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines
