

Update: Further utility surveys on Kilburn Place

March 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Surveys in your area

We visited Kilburn Place on 8 March 2020 to carry out a visual survey of the sewer. We are planning to carry out further CCTV surveys overnight on 13 April. These surveys will help us to understand the condition of the drainage system in the area and how best to protect it during construction of the railway.

Overnight survey on 13 April

We will be carrying out surveys of a sewer chamber on Kilburn Place next to the junction with West End Lane. These works will take place overnight on 13 April between 9pm and 6am. The location of these works can be found on the following page.

During these works there will be a temporary road closure on Kilburn Place next to the junction with West End Lane. Traffic management will be in place to ensure the safety of our staff. We will maintain access to local properties during these works.

Virtual 1:1s about works in your area

We are holding virtual 1:1 sessions during 2021 where you can speak to our community engagement team about our ongoing and upcoming works at the Canterbury Works site and the local area. For information about these online 1:1s please visit www.hs2inkilburn-northolt.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Overnight on 13 April 2021 between 9pm and 6am

We may be on site for an hour before the start and/or end of each shift

What to expect

Traffic management to keep staff safe – this will include a partial road closure on Kilburn Place

A water tanker will be on site should we need to clear a blockage using the high-pressure water jet

These works may generate some noise

What we will do

Provide access to local properties at all times

Your utility services will not be affected

We will provide updates at **HS2inKilburn-Northolt.co.uk**

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
