

Update: weekend works in Euston Approaches

June 2023 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

Tower crane demobilisation – 4 to 16 July

Next month we will remove the two tower cranes from our Camden Cutting south worksite, via our site access on Hampstead Road. We will work from 8am to 8pm to deconstruct the cranes and remove them from our worksite in sections. For safety, due to the size of the cranes, they can only be transported early in the morning or late at night when there is less traffic on the road. The cranes will be removed from site between 8pm and 10pm.

We expect it will take about two days to remove each crane. We plan to take down the cranes on 4, 5, 13 and 14 July. Depending on the weather forecast, we may need to work on 6, 7, 15 and 16 July instead.

We do not expect these works to be noisy.

Overnight hoarding maintenance – 24 to 25 June

For safety, we frequently carry out works next to main roads or rail tracks at night when the road is less busy, or the tracks are not in use.

We will work overnight on Saturday 24 June to carry out maintenance to the hoarding on Hampstead Road. We will temporarily close the northbound lane but will maintain two-way traffic in the southbound lane using temporary traffic lights. We will work from 7pm on Saturday 24 June to 3am on Sunday 25 June.

Ongoing monitoring at track-level within the Euston Approaches

We carry out regular surveys and monitoring of the bridges and structures at track-level within the railway cutting, to inform and assess the impact of our works.

For safety, due to the location of these structures beside, above and below the railway tracks, we can only carry out these surveys when the tracks are not in use. This means we frequently carry out surveys during weekends and overnight shifts. We will continue to carry out these surveys until the end of the project. These surveys are quiet, and we do not expect residents to notice.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

Working hours:

Tower crane demobilisation – 4 to 16 July, 8am to 10pm

Overnight hoarding maintenance – 24 to 25 June, 7pm to 1am

Installing traffic cameras – 26 to 28 June, 9.30pm to 5.30am

What to expect

Large lorry loads delivered or removed from site early in the morning or late at night via Hampstead Road site access

Overnight traffic management on Hampstead Road for hoarding maintenance

Ongoing surveys and monitoring at track-level

Overnight footway closures and pedestrian diversions to install lorry cameras

What we will do

Provide updates at HS2inCamden.co.uk

Update: weekend works in Euston Approaches

Notification

www.hs2.org.uk

Traffic cameras installed to monitor lorries – from 26 June

Over the next few months, we will install traffic cameras along our lorry route to monitor HS2 vehicles and ensure our drivers use the approved routes to and from site. We will close small sections of the lane and footpath for about an hour while we install the cameras on existing lampposts. We will carry out the work at night, between 9pm and 6am to limit the impact on traffic and pedestrians.

The first cameras will be installed from 26 June on Hampstead Road, Oakley Square and Lidlington place.

Weekend and extended hours site maintenance

Our site, offices and equipment require regular planned and unplanned maintenance. We frequently carry out maintenance work during extended hours when the office or worksite is not in use, and we can safely disconnect utilities or lift large equipment. This work is generally quiet, and we don't expect neighbours to notice.

Feedback

Your feedback is important. It helps us better understand what it is like to live near a major construction site and what we can do to help make it a little easier. We encourage you to complete our feedback following [this link](#) or using the QR code

Contact our HS2 Helpdesk team

Our team is here to listen and respond to your enquiry, complaint or feedback to help us be a good neighbour.

You can contact our Helpdesk team all day, every day of the year on:

Freephone: **08081 434 434**

Minicom: **08081 456 472**

Email: hs2enquiries@hs2.org.uk

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help you.

The Residents' Commissioner

The independent Residents' Commissioner oversees and monitors our commitments to you.

The commissioner's reports and our responses can be found at www.gov.uk/government/collections/hs2-ltd-residents-commissioner

The Residents' Commissioner makes sure we fulfil the commitments in the HS2 Community Engagement Strategy (<https://bit.ly/3oOA25j>).

The Residents' Commissioner can be contacted on: residentscommissioner@hs2.org.uk

Construction Commissioner

The independent Construction Commissioner regularly meets our Chief Executive Officer to raise any concerns or emerging trends across HS2.

The Construction Commissioner's role has been developed to monitor the way we manage and respond to construction complaints.

The commissioner mediates on disputes about construction, involving individuals and organisations, that we can't resolve. The commissioner advises members of the public about how to make a complaint about construction.

The Construction Commissioner can be contacted on: complaints@hs2-cc.org.uk

Property and compensation

You can find out about HS2 and properties along the route by visiting: www.gov.uk/government/collections/hs2-property

Find out if you can claim compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting the HS2 Helpdesk. For more details on our complaints process, please visit:
