

Update: works in Euston Approaches

September 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. You can sign up for regular updates in your local area at HS2inCamden.co.uk

Update: traffic management on Prince Albert Road extended until 17 September

We are currently carrying out works to adjust the traffic lights on Prince Albert Road, at the entrance to the Vehicle Holding Area. We have closed sections of the footway and carriageway on Prince Albert Road and have temporary traffic lights in place. We were due to complete these works on 10 September. However, we will also require this traffic management from 13 to 17 September, to allow Transport for London to reconnect the traffic lights to the main system.

For more information please refer to our previous notice 'Update: works on Prince Albert Road' (August 2021).

Update: CCTV utility surveys on Augustus Street postponed to 13 September

We are carrying out CCTV surveys of the utility services beneath streets surrounding the Euston Approaches. We were due to carry out these surveys on Augustus Street overnight from 10 to 11 September but we have now rescheduled these surveys to 13 September during daytime working hours. This is so another contractor can carry out their works first. We will close the footway and some parking bays to carry out these works.

For more information please see our previous notice 'Upcoming works in Euston Approaches' (August 2021).

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Update: works to main site office

We have almost completed the main site office. Before we can begin to use the building, we will clean the office overnight, while the building is vacant, from 9 to 17 September. We will continue to carry out works to the interior and exterior of the office during regular working hours.

Our office and construction teams are due to begin using the building from 20 September. Our core office hours will be Mondays to Fridays 7am to 7pm and Saturdays 7am to 2pm. We will have security guards on site 24/7. Some workers will also regularly use the office out of hours, particularly when we are carrying out works outside core hours.

We will access the site office from Stanhope Street initially, then later from Harrington Street.

For more information please see our previous notice ‘[Works in Euston Throat](#)’ (July 2021).

SCS Euston Approaches Construction Updates (virtual events)

This month we will be hosting virtual Construction Updates, to provide an overview of our key construction activities planned for the Euston Approaches over the next six months. We will host two sessions:

- Tuesday 28 September – 5.30pm to 6.30pm
- Thursday 30 September – 12pm to 1pm

You can register for these sessions on [Eventbrite.co.uk](https://www.eventbrite.co.uk), just search ‘HS2 & SCS in Euston Approaches’.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
