

Works on Prince Albert Road and Parkway

July 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured only sites that can operate within the guidelines are operational. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

Traffic light adjustment on Prince Albert Road – 23 to 27 July

We recently installed permanent traffic lights and a pedestrian crossing at the entrance to the Vehicle Holding Area on Prince Albert Road, to enable lorries to safely enter and exit the site.

From 23 to 27 July, we will dig up the footway using hand-held tools to adjust the position of the traffic lights at the entrance to the Vehicle Holding Area. There may be periods of increased noise from the concrete breaking as we carry out these works. We will require lane and footway closures and a pedestrian diversion to carry out these works.

White line removal on Prince Albert Road – 27 July

Earlier this year in May we repainted the white lines on Prince Albert Road to indicate the new traffic lights and crossing. At the time we were unable to remove the existing white lines and painted over them as a temporary measure. On 27 July we will return to remove the old road markings, using a heat method to burn the paint off the road.

While this method may cause a temporary smell, it is less noisy and impactful than alternative methods of sanding or scraping the paint off the road. We will require alternating lane closures and temporary traffic management on Prince Albert Road to safely carry out these works.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration of works

Traffic light adjustment and white line removal on Prince Albert Road: 23 to 27 July

Working hours:
Weekdays, 8am to 6pm &
Saturday, 8am to 1pm

Overnight CCTV survey on Parkway: 8pm on 30 July to 5am on 31 July

We may be on site for up to an hour before and after each shift

What to expect

Lane and footway closures and pedestrian diversions on Prince Albert Road

Periods of increased noise during traffic light adjustment works

Overnight lane closure in front of 117 to 129 Parkway

What we will do

Provide updates at HS2incamden.co.uk

Notification

Overnight CCTV survey on Parkway – 30 to 31 July

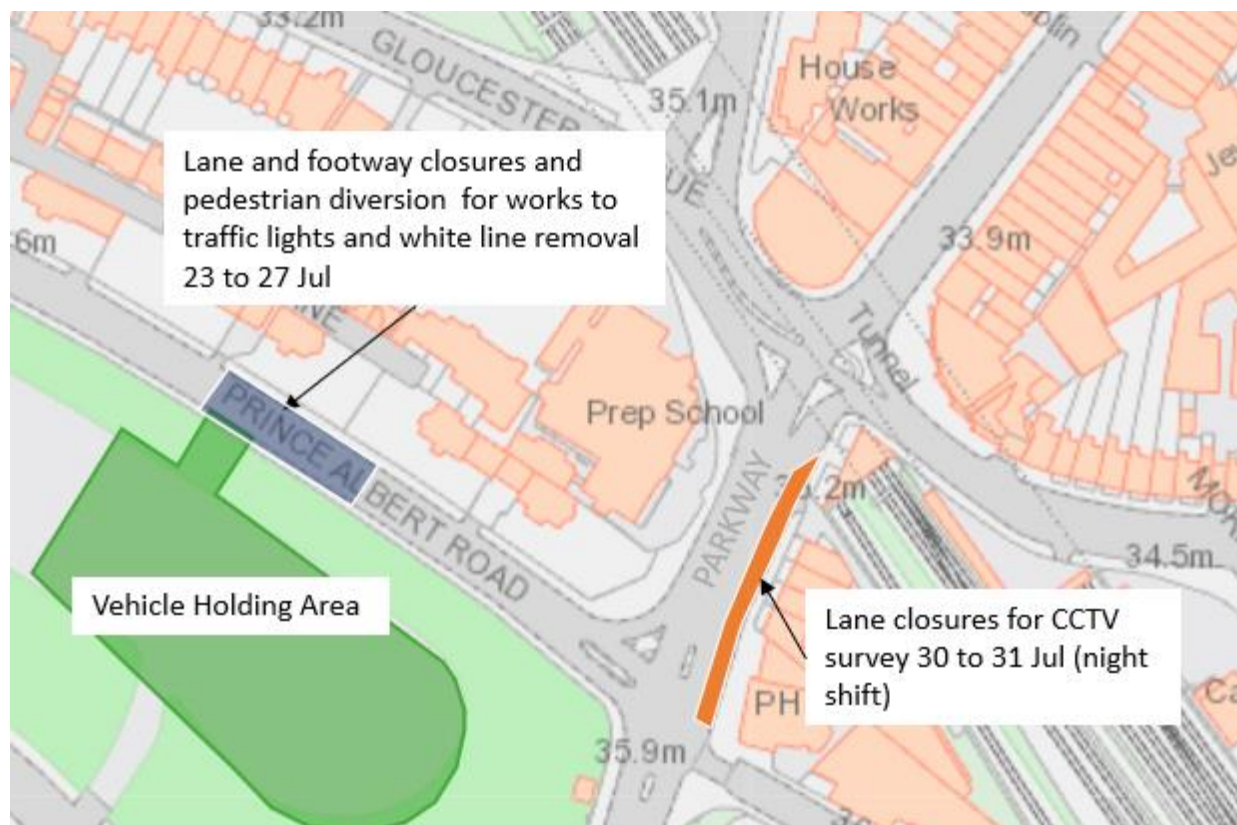

We will carry out a CCTV survey of the sewer system beneath Parkway, overnight from 8pm on 30 July to 5am on 31 July. We will access the sewer via existing manholes within the road and use a camera to assess the condition of the sewer.

We will close a section of the lane in front of the properties at 117 to 129 Parkway to create a safe working area. Please be assured, access to these properties will be maintained during these works. These works will not be noisy and will not cause disruption to the sewer system. The works will be carried out overnight to limit impact on local traffic.

This survey will be used to inform the final design of the Parkway utility diversion works. We will begin works to strengthen and divert the utilities beneath Parkway in February 2022, before we begin tunnelling, to prevent potential damage to the utilities from tunnel-related ground changes.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
