Update: Further works on the Adelaide Road site boundary

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under constant review.

We wrote to you recently about works between mid-March and late-June to continue setting up Adelaide Road site boundary.

Removal of the brick wall on Adelaide Road

From 19 April 2021 for up to two weeks, we will be removing the section of brick wall next to the eastern end of our site. This will take place while temporary traffic management is in operation.

We are extending our site at the eastern end as we require additional space for construction of the ventilation shaft and headhouse. We need to remove this section of the wall in order to install our welfare cabins and access gates to the site. A map showing the location of these works is included on page two.

We will provide further updates as the works progress.

Will we replace the brick wall?

We will replace the wall when our works are completed. The new wall will have a permanent access point for emergency vehicles and for maintenance to the ventilation shaft and headhouse. We are planning to engage with you further about the design of the future wall and give you the opportunity to provide feedback.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Duration of works

From 19 April 2021 for up to two weeks

Our working hours are 8am to 6pm, Monday to Friday, and 8am to 1pm Saturdays if required

We may be on site for an hour before the start and/or end of each shift

What to expect

Further works to remove the remaining brick wall on Adelaide Road

Preparation works to install our welfare cabins within our site

Upcoming utility works from spring and summer 2021

What we will do

Keep noise and disruption to a minimum

The dates for these works may change; we'll provide updates at hs2incamden.co.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
