

Old Oak Common Lane maintenance closure by Ealing

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

The London Borough of Ealing will be carrying out an emergency closure of Old Oak Common Lane on the morning of Saturday 10 April between 7.30 am until 12pm. This work is for important road maintenance which includes pothole repairs and clearing blocked drains. This work is separate to HS2.

The area of closure on Old Oak Common Lane will be between Wells House Road junction and the Great Western main line rail bridge. Please see the map which outlines this attached.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

Road maintenance on Old Oak Common Lane on Saturday 10 April, from 7.30 am to 12pm

What to expect

The temporary closure of Old Oak Common Lane with traffic diversion notices in place

What we will do

London Borough of Ealing will be carrying out emergency road maintenance on Old Oak Common Lane

This work is separate to HS2

Location of road closure

Whilst the bulk of emergency pothole repairs and drainage clearance works are anticipated to take place within the location specified, there may be a requirement to slightly extend the area of road closure outside of the working area highlighted above for a short duration in order for these works to be completed safely.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
