

Notice of ground investigation surveys – Nechells Ward

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Upcoming ground investigations

We will be carrying out ground investigation surveys from May 2021 until August 2021 within, or close to our sites in the Nechells ward. This will include areas of land on the following roads:

- Duddeston Mill Road
- Inkerman Street
- Alma Crescent
- Dollman Street
- Erskine Street
- Viaduct Street
- St James Place

These surveys will help us to understand more about the ground conditions where we want to build the new railway. The surveys will involve taking soil samples and boring trial holes in different locations. To complete our survey works, we will transport drilling rigs to site by trailer. Drilling rigs will then be positioned on site and our workforce will travel to site every day by a 4x4 vehicle.

HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

May 2021 – August 2021
working hours – between
8.00am and 4.30pm
weekdays.

Our workforce can be on site up to 1 hour before work begins to set up the site and again afterwards to take down our work equipment.

What to expect

We will install temporary fencing to our work sites in the area where we are working.

Low levels of noise from the work we are completing.

What we will do

Ensure that our work areas are safe and secure.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation
