

Update: Notice of further ground investigation works on Adelaide Road

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under constant review.

Works planned on Adelaide Road from 29 April 2021

As part of our ongoing works to set up the Adelaide Road site, we will be carrying out ground investigation works on Adelaide Road. This will involve digging temporary trenches to confirm the location of utility services under the road surface. The trenches will be dug in six phases, starting from 29 April until late July 2021.

We will be working during our core hours which are 8am to 6pm Monday to Friday and 8am to 1pm on Saturdays. Traffic management will be in place at all times.

How the trial holes might affect you

During the ground investigation works, lane closures will be in place on Adelaide Road and we will temporarily close the junction of Adelaide Road and Eton Road. This will protect staff and ensure that traffic can safely move through this area. Parking bay suspensions will be in place. Bus stop R (Eton Road) will be suspended for the full duration of these works. Bus stop P (Primrose Hill Road Adelaide Medical centre) will be suspended during phase five and six only.

The location of these works and a diversion route will be clearly signed and is shown on the maps on the following pages. This temporary change has been agreed with Camden Council in order to help maintain traffic flow on Adelaide Road and local streets.

Your utility services will not be affected.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk

Phase 6 – 25 June to late July 2021

Surveys planned on the footpath during May 2021

Between mid to late-May we will be working during the day to carry out surveys of the footpath on Adelaide Road. The surveys will take place between 8am and 5pm. We will be using handheld scanning equipment placed on the ground for a short period. You may see operatives within Beaumont Walk estate while they carry out the surveys.

Works planned in railway embankment area overnight on 22 May 2021

On 22 May we will be working overnight to carry out surveys on the railway tracks within our Adelaide Road site. These works will take place between 9pm and 6am during a pre-booked railway track possession, while trains are not using the railway tracks. Staff will use handheld equipment to carry out the surveys. These surveys will not be noisy.

Future works to install our welfare cabins

During May, we are planning to install our permanent welfare cabins at the eastern end of our site. We may need to install further temporary traffic management while these works take place. The details of these works remain subject to confirmation. We will write to you with more information in advance of these works.

Speak with our community engagement team

We are holding monthly virtual one to ones where you can speak with our community engagement team. Our next virtual one to one will be on **Wednesday 21 April between 3pm to 6pm**. You can book a 20-minute session to speak with our Community Engagement teams about works at the Adelaide Road site at hs2.org.uk/events. The sessions will take place on Microsoft Teams.
