

Notice of ground investigations on Chase Road

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Ground investigation trial holes on Chase Road from 29 April

As part of our ongoing works to prepare for construction of the HS2 tunnels and crossover box, we will be carrying out further ground investigations on Chase Road. This will involve digging temporary trenches to confirm the location of utilities under the road surface.

The trenches will be dug in three phases from late April to early July, as follows:

Phase One: 29 April to 21 May 2021

Phase Two: 24 May to 28 May 2021

Phase Three: 1 June to 1 July 2021

Traffic management will be in place during these works, including the suspension of some parking bays. This will be to ensure the safety of our staff and pedestrians and so vehicles can continue to travel on Chase Road during the ground investigations.

During phase three of these works, bus stop (W) on Chase Road will be temporarily suspended. Maps showing the changes are included on page 2 to 6.

We will use noise reducing barriers, where possible, to help minimise any noise disruption to you.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation
