

Notice of utility surveys - Saltley Viaduct and Mainstream Way

April 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI (BBV) is working in partnership with HS2 Ltd to build the new railway in your area.

Upcoming utility surveys

We will be carrying out overnight utility trial hole surveys in locations along Saltley Viaduct and Mainstream Way on Friday 28 May.

To complete the utility trial hole inspections, we will use a vacuum excavator, which uses compressed air to loosen or agitate the ground. The loosened material is then removed using the vacuum on the machine creating a hole. At times we will also use hand digging tools to excavate the trial holes. Once the surveys are carried out, we will backfill and reinstate all the trial holes.

These surveys will help us to plan where utility diversions will be required as we prepare to construct the railway in Birmingham.

Road closures

To be able to carry out these inspections safely and effectively, we will need to put in place temporary road closures with diversion routes on a section of Saltley Viaduct and Mainstream. The road closure and diversion route will be in place from 8:00pm to 6:00am. Access to properties and businesses will be maintained at all times.

HS2 during the COVID-19 pandemic

We are continually reviewing the works on our construction sites in line with the Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

28 May (1 day)

working hours 8pm – 6am.

Our workforce can be on site up to 1 hour before work begins to set up the site and again afterwards to take down our work equipment.

What to expect

Barriers around our working area.

Temporary road closure on a section of Saltley Viaduct and Mainstream Way.

Clear signage in place.

What we will do

Ensure that our work areas are safe and secure.

Keep you up to date through www.hs2inbirmingham.co.uk

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
