Dear Neighbour

**Work on behalf of HS2 Ltd – local electricity diversions complete**

I wanted to let you know that we've completed our overhead electricity line diversion scheme in Staffordshire for HS2 Ltd in preparation for the build and operation of the new railway. The completion of this project marks the conclusion of National Grid's Phase 1 and Phase 2a electricity transmission diversion work for HS2 Ltd in this area.

Our contractor, Balfour Beatty, has raised the height of four pylons that the new HS2 railway will pass under. This includes two pylons between Handsacre and Hanch, two between Bromley Hayes and Kings Bromley and the replacement of the overhead lines along the route.

We've completed this work within a year and on time and have now lifted our footpath closures on Longdon 35 and Kings Bromley footpaths 7, 8, 11 and 12.

Thank you for your assistance and patience while we've carried out these works.

If you have any queries about our work or our role on HS2, please call our Community Relations team on 0800 073 1047. They're available daily from 7am-7pm. Alternatively, you can email [HS2.Info@nationalgrid.com](mailto:HS2.Info@nationalgrid.com).

If you have a general enquiry regarding HS2, please call the HS2 Freephone Community Helpline which remains operational all day, every day, and is your first point of contact should you need advice or information from HS2. The Helpline is available at [HS2enquiries@hs2.org.uk](mailto:HS2enquiries@hs2.org.uk) and telephone 08081 434 434. A Freephone Minicom service is operated on 08081 456 472 for those with hearing difficulties. You can also write to them at: HS2 Community Hub, High Speed Two (HS2) Ltd, Two Snowhill, Snow Hill Queensway, Birmingham, B4 6GA.

Yours faithfully

Sabina Morgan-Bates
