Update: Notice of works at Breakspear Road South

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

You can sign up for regular updates in your local area at www.hs2inhillington.co.uk.

What we are doing

We wrote to you previously to advise you that we would be carrying out works from 7 to 9 May 2021. We need to extend the lane closure from 9 to 14 May, in order to complete these works.

The road crossing at Breakspear Road South will become operational for our site traffic from 10 May 2021. The London Borough of Hillingdon has approved a speed limit reduction from 40mph to 30mph between Swakeleys Road and Breakspear Road, and to 20mph near the haul road crossing.

To ensure that this area is ready, we will be carrying out road and utility works along Breakspear Road South from 7 May 2021, in the area shown on the map overleaf.

These works will include the installation of concrete traffic barriers and line markings. Additionally, we will investigate the condition of the culvert system using a CCTV camera mounted on a small robot. Your utility services will not be affected.

Most of the work activities on the carriageways will be restricted to lane closures. However, for safety reasons there will be a full road closure needed for one night on 7 May.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434

Duration of works

Overnight road closure on 7 May 2021 between 9pm and 5am

Lane closure from 9 to 14 May between 9am and 5pm

We may be on site for an hour before the start and/or end of each shift

What to expect

Traffic management, operatives, and surveying equipment (including a CCTV camera)

Temporary traffic signals supported by operatives during the busiest parts of the day

What we will do

Maintain access to your property at all times

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
