

Update: surveys planned on Greenford Road

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can work within the guidelines are operational. All sites will remain under constant review.

We wrote to you recently about drainage surveys on Greenford Road during the day between 19 and 25 May 2021.

Drainage surveys rescheduled to take place overnight

These works are still scheduled to take place between 19 and 24 May, however they will now take place overnight between 8pm and 5am.

On three consecutive nights between 19 and 22 May, temporary lane closures will be in place on Greenford Road and near the junctions of Uneeda Drive and Bennetts Avenue. Parking bay suspensions will be in place on Greenford Road.

Overnight between 24 and 25 May, temporary lane closures will be in place on the junction of Greenford Road and Rockware Avenue.

You can view the location of these works and further information from our previous notification [here](#).

Your utility services will not be affected during the surveys and you will still be able to travel through this area. The dates and locations for the surveys could change and we may need to carry out further surveys in your area. To sign up for updates, please visit www.hs2inkilburn-northolt.co.uk.
