Road closure - Welsh Road

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

Welsh Road closure

LM will be closing Welsh Road from 8:00am on Saturday 5 June until 5:00pm on Sunday 6 June. The reason for the closures is to create a safe working zone whilst we carry out resurfacing works, remove some fencing and move a road sign around the access point at the HS2 compound.

Access will still be maintained for households and businesses along the road. All works are subject to consent, site and weather conditions. Dates may also be subject to change. Please register at hs2inwarwickshire.co.uk to receive updates about works in your area and for up-to-date traffic information go to **one.network**.

At the same time as LM's temporary road closures, HS2's main works contractor – Balfour Beatty VINCI (BBV) – will be working on the A425 Leamington Road at Dallas Burston Polo Club near Southam.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk.

HS2 and the COVID-19 outbreak

We are continually reviewing work on our sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance. The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently working are doing so because they can operate within PHE and construction industry guidelines
