

Notice of temporary road closure - Culworth Road, Chipping Warden, June 2021

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. In response to COVID -19 we have worked hard to ensure that our working practices are fully aligned with the Site Operating Procedures produced by the Construction Leadership Council. These procedures have been endorsed by Public Health England. We will be keeping our local website www.hs2innorthants.co.uk up to date with information on our works in the local area.

What will we be doing?

We need to carry out ecology surveys and vegetation clearance along Culworth Road, near Chipping Warden.

All clearance works are undertaken under the instruction of the ecologist on site, who decides the appropriate method of clearance based on the vegetation present. This involves a detailed hand search to determine if any ecology is present. If the area is found to be clear, then vegetation clearance will take place.

A small workforce will use machinery and handheld equipment to clear sections of vegetation. This will involve the use of brush cutters, chainsaws and tractors, employing different methods to remove the area of vegetation. There will be little or no disruption to traffic in the area.

When will these works take place?

The works will start on the **7th June**. Because of the proximity to the road, there will be a need to temporarily close the road for the duration of the works. This is for the safety of road users and our staff.

The road will be closed between **8am - 4pm Monday to Friday, from 7th to 18th June 2021**.

The roads will open as normal outside of these times.

Duration of works

Normal working hours:
Monday to Friday
8.00am – 6.00pm

Works will commence on 7th June 2021 and be complete by 18th June 2021.

Closure times will be between 8am until 4pm, Monday to Friday each week.

Our contractors may also be on site for one hour's start-up and shutdown outside of these times.

What we will do

Manage any environmental impacts, such as traffic and noise.

Respond promptly to any complaints and take appropriate action.

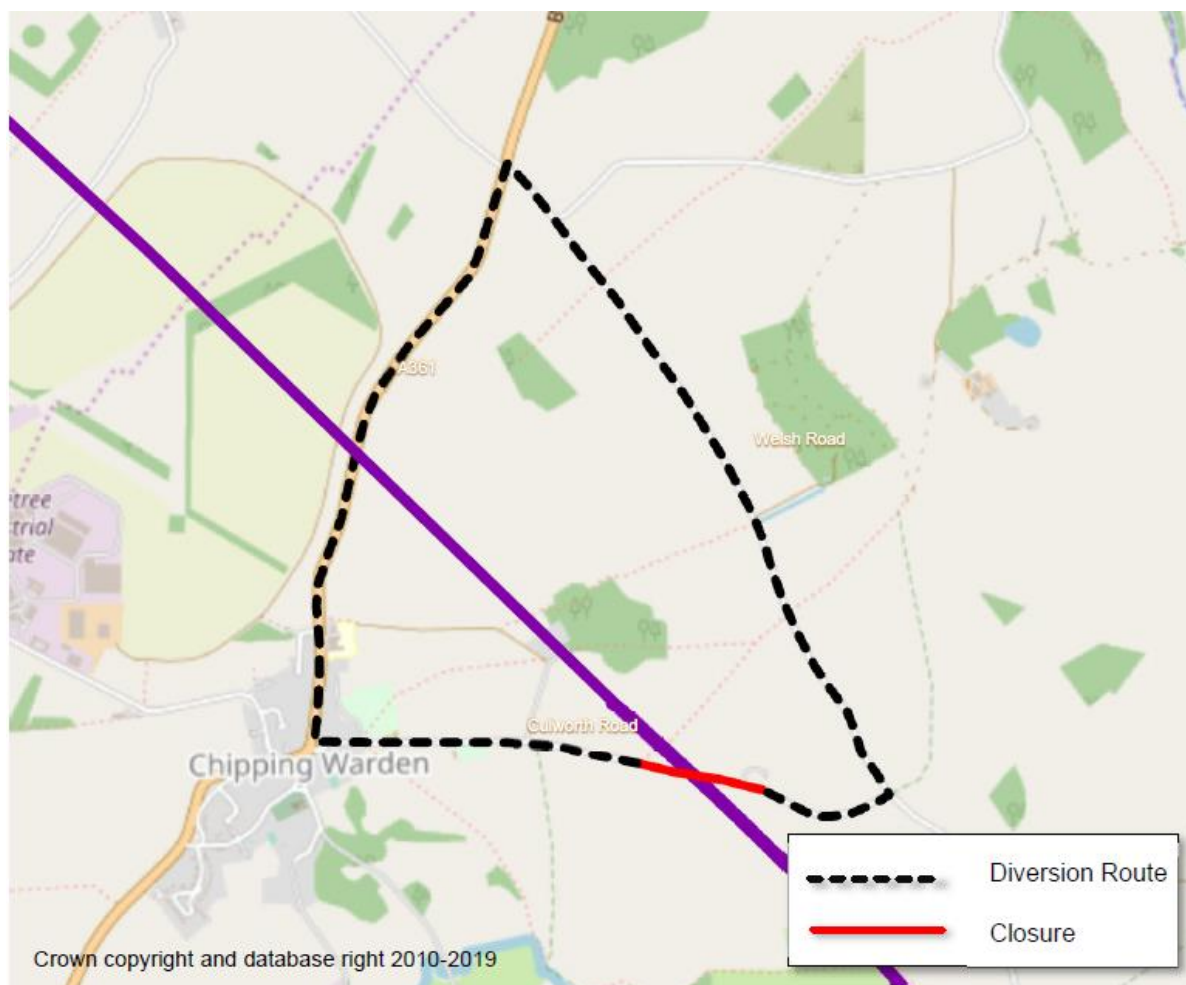

Take care to respect the community.
