

Notice of Utility Works off Coleshill Road, Water Orton

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review

What are we doing

In order to construct the proposed embankments associated with the main HS2 tracks at Coleshill Road, an existing 132kV circuit from Lea Marston to Kitts Green requires diverting.

How will this affect me?

There may be some disruption within the area due to the scope of excavation and installation work.

Access will be maintained for local residents to the surrounding area at all times.

Working hours will be 08:00 – 18:00 Monday to Friday and 08:00 – 13:00 Saturday. Saturday working hours may be extended to 08:00 – 18:00 subject to the necessary consents being in place.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk
