

Notice of weekend works at West Ruislip

May 2021 | www.hs2.org.uk

Notification

High Speed Two (HS2) is the new high speed railway for Britain.

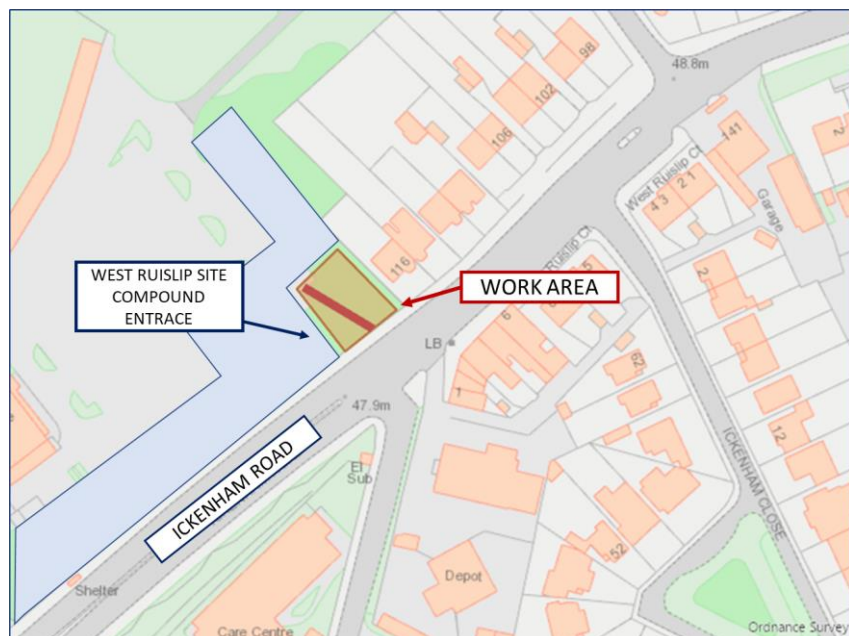

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

What we are doing

We will be carrying out works over one weekend in the bell mouth where vehicles access the site from Ickenham High Road. We are connecting a foul sewer from site to a chamber that sits underneath the centre of the junction.

Once connected the trench will be backfilled and the work area reinstated.

We will carry out the main cut into the concrete within normal working hours on the Friday 18 June, to minimise noise on the weekend.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk
