

Early Works Notification

Access road crossing point

Featherbed Lane, Mixbury

High Speed Two (HS2) is the new high speed railway for Britain. We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review. You can sign up for regular updates in your local area at www.hs2inbucksandbox.co.uk

What are we doing?

As we progress our works, we will need to create some crossings for our access road. These will be required where our internal roads cross the existing road network. We will create a strengthened surface using concrete to ensure that we protect the road and any utilities underneath it for the duration of our works. This document will show you the planned closure of the area where our access road is being created, it will also explain the diversion route in place whilst the work is being carried out. Once the crossing point is created, the road will then be open as normal, with gates in place to keep local traffic separated from construction traffic.

Where will the work take place?

The work will be taking place on Featherbed Lane in Mixbury. The access road crossing will be created to the east of Tibbets Farm.

When will the work take place?

Featherbed Lane will be closed between 9.30am on 14th June until 6.00am on 28th June inclusive. This two-week closure is required 24/7 to carry out the work and also allow the concrete to set before the road is opened to the public.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Notification

Duration of works

Works will commence in June 2021

Normal working hours:

Monday to Friday

8.00am – 6.00pm

Saturdays

8.00am – 1.00pm

Our contractors may be on site for one hour's start-up and shutdown either side of these times.

Activities such as concrete setting will require 24/7 traffic management.

What to expect

Varied activities with both quiet and busier periods.

Localised traffic management and diversion routes to be in place for the duration of the work.

What we will do

Manage any environmental impacts.

Respond promptly to any complaints and take appropriate action.

Take care to respect the community.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:

www.hs2.org.uk/how-to-complain
