

Utility works on Parkway and Park Village East

May 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England advice on dealing with COVID-19. The Government's strategy makes it clear construction activity can continue, as long as it complies with this guidance. Please be assured only sites that can operate within the guidelines are operational. You can sign up for regular updates in your local area at HS2inCamden.co.uk.

UKPN cable installation on Parkway and Park Village East – 14 June to 9 July

Later this year we will install a substation at the northern end of Park Village East to provide power to the Euston Cavern worksite. We will carry out this work in three phases:

Phase 1: install electricity cables on Parkway and Park Village East

Phase 2: install the substation within the lorry lay-by and connect cables

Phase 3: install additional electricity cables on Parkway to provide further power

Phase 1 – 14 June to 9 July

We will carry out Phase 1 of the substation installation works from 14 June to 9 July, installing high power electricity cables within the footway and carriageway on Parkway and Park Village East.

We will work from north to south, using an excavator to break out the concrete and dig a trench, before laying the cables and filling in the hole. We will have acoustic blankets in place to limit noise and dust, however these works may be noisy at times and we apologise for the inconvenience.

These works will require closures to sections of the footway, lane closures and parking bay suspensions. We will carry out the cable installation in sections, adapting the traffic management as we progress. Please see the map on the following page for further information.

Notification

Duration of works

Phase 1 UKPN utility works on Parkway and Park Village East: 14 June to 9 July

Working hours: Monday to Friday 8am to 6pm

What to expect

Utility works within footway and carriageway on Parkway and Park Village East

Temporary footway and lane closures on Parkway and Park Village East

Parking bay suspensions on Park Village East

What we will do

Access to properties will be maintained at all times

Further update on phase 2 & 3 will be provided in due course

We will provide updates at HS2incamden.co.uk

Map: traffic impacts of Phase 1 of UKPN works

Phase 2 & 3

We will carry out Phase 2 & 3 of the works once the lorry lay-by is installed. We will not install the lorry lay-by on Park Village East until it is required to service the worksite below. We will inform you once the lorry lay-by installation date has been confirmed and provide further information on possible impacts.

The lorry lay-by is currently scheduled for Autumn 2021.

Keep up-to-date with your local community website

To find out more about what's happening in your area and receive regular email updates, you can sign up to our local community websites at: www.hs2inyourarea.co.uk.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:
www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:
www.hs2.org.uk/how-to-complain
