

Notice of extension of works at Doric Way

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) guidance on COVID-19. The Government's strategy makes it clear construction can continue as long as it complies with this guidance. All sites remain under constant review. You can sign up for regular updates in your local area at: HS2inCamden.co.uk

Road closure and parking bay suspensions until 23 July 2021

We wrote to you in May 2021 regarding ground investigation works at **Doric Way** (HS2-EW-MD-Ph1-Eu-St-S3-Traf-12-05/04/2021). We are progressing these works and now expect to be **completed by 23 July 2021**. This is later than we originally planned, which is because of the ground conditions encountered at Doric Way. The condition of the ground has been difficult to drill into and this has slowed down progress.

To enable these works, we need to extend the temporary road closures and parking bay suspensions on Doric Way and Drummond Crescent **until 23 July 2021**.

Doric Way

Details of which are as follows:

Until 23 July – parking bay suspensions - 7 car parking bays and 1 motorcycle bay **at the southern end of Doric way in front of the work site.**

Until 23 July – footpath closure on the south side of Doric Way – pedestrians will be diverted to cross from the south side onto to the north side.

19 July until 23 July – full closure of a section of Doric Way.

Vehicles west of the closure will be diverted back towards Eversholt Street via two-way traffic. Vehicles east of the closure will be diverted towards Drummond Crescent via two-way traffic. This closure is required to remove the temporary work site.

Duration of works:

Until 23 July 2021

Working hours:

- 8am to 6pm weekdays, excluding bank holidays (with an hour either side of these times to set up and close down the site)
- 8am to 1pm Saturday

What to expect:

- Delivery of materials to and from site
- Low levels of noise from our machinery
- Drilling and soil sampling in work sites (ground investigation).

What we will do:

- Temporary work sites where surveys and investigations are taking place
- We may install temporary signage on the roadside.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email HS2enquiries@hs2.org.uk.

Drummond Crescent

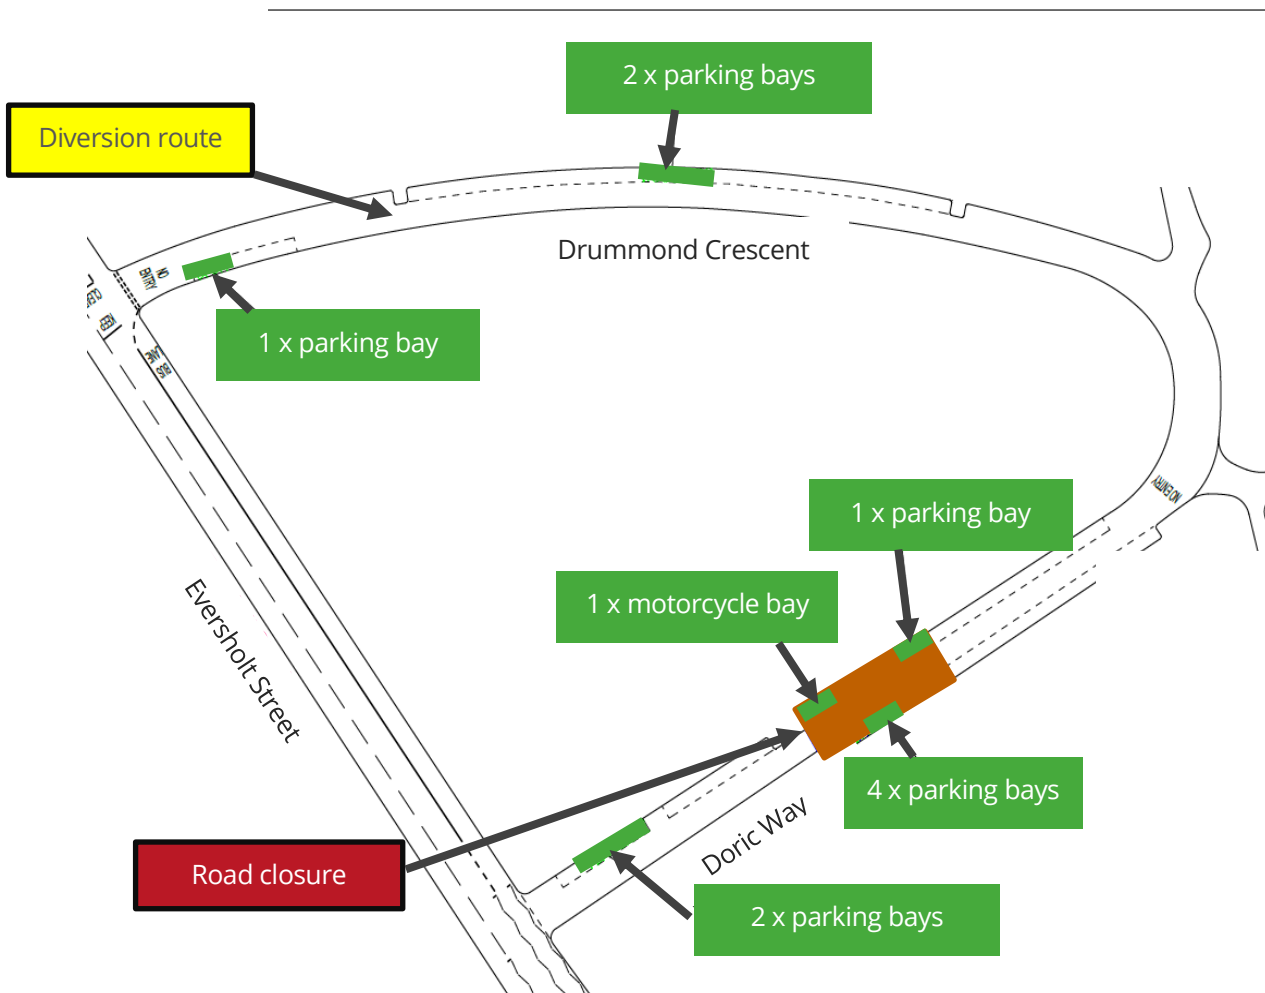

To support the ground investigation works at Doric Way, Drummond Crescent will be opened to two-way traffic between Eversholt Street and Doric Way while the temporary work site is set up and removed, and there will be parking bay suspensions. Details are as follows:

19 July until 23 July - Drummond Crescent will be opened to two-way traffic between Eversholt Street and Doric Way while the temporary work site is set up / removed.

19 July until 23 July - Parking bay suspensions – 2 parking bays on south side and 1 parking bay on north side. We need to temporarily suspend these bays to create passing places on the road for the change to two-way traffic.

What to expect:

- We will use machinery to drill a number of boreholes into the ground (ground investigation);
- Alterations to public walkways
- Suspension of parking bays; and
- Intermit full and partial road closure.

Once the works are completed, we will need to return to Doric Way periodically and suspend 1-2 parking bays for monitoring of the ground in the same area. Works will be managed to minimise disruption wherever possible. We recognise that construction work can be disruptive to those living or working nearby. The nature of our work often means some disturbance is unavoidable, but every effort is made to minimise any unnecessary noise. Please note that changes to the programme may occur, and if these changes are likely to cause any disturbance, we will write to you again.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at:

www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
