

HS2

Notice of ground investigation surveys near Common Lane, south of King's Bromley

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. To allow for the construction of the new railway and to continue to ensure a safe and reliable gas supply, Cadent is moving underground gas pipelines in the Lichfield area. We will keep people up to date as our works progress.

What are we doing?

We will be starting work to move an existing gas pipeline near Rileyhill, south of King's Bromley, at the start of 2022. Before we move the pipeline, we need to carry out some surveys south of Common Lane, to understand more about the land we'll be working in. The work will involve drilling boreholes and digging small pits so we can take samples of the ground to analyse.

We will be starting to carry out surveys on 14 June 2021 although we will be on site in the week leading up to this to set up a small welfare cabin and to secure our working area with fencing.

Vehicles will be accessing our working area via Common Lane, using the existing bridlepath. Signage may be installed on the roadside at this location, to ensure safe access and exit for vehicles.

There will be 24-hour security on site so we can maintain a safe working environment. Please note, there will be no on-site lodging.

How will this affect you?

You may notice some people and equipment on site while we carry out the works. There will not be any disruption to your utilities during our works.

COVID-19

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current COVID-19 strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our helpdesk on 08081 434 434 or email HS2enquiries@hs2.org.uk

Notification

Duration

- Three weeks, starting 14 June 2021 (with site set up in the week before)
- Our working hours will be 8.00am to 6.00pm (Mon-Fri)
- We will be on-site one hour either side of these times for set-up and close-down

What to expect

- Work taking place on land off Common Lane, south of King's Bromley
- Vehicles accessing the area off the A515, via Common Lane
- Signage installed at the roadside to ensure safe access and exit

What we will do

- Make sure all construction vehicles use agreed routes
- Maintain a safe working environment
- Inform people in advance of any changes

About our Community and Business Funds

We are offering funding for communities and businesses that are demonstrably disrupted by the construction of Phase 2a of the HS2 route from the West Midlands to Crewe. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

About our Commonplace websites

The planning and construction of HS2 is a huge operation – it is currently the largest infrastructure project in Europe.

It's important to us that you are kept up to date about the progress of the Project and any work that may impact you or your community. We have a series of community-focused websites where you can find out what is happening in your local area and sign up for updates about our activities.

Our Commonplace sites currently serve Birmingham, Bucks and Oxfordshire, Cheshire, Euston and Camden, Hertfordshire, Hillingdon, Northamptonshire, Old Oak, Solihull, Staffordshire and Warwickshire. More sites are being prepared to serve other areas.

To find your local Commonplace website, visit:

<https://hs2.commonplace.is/>

For further information about Phase 2a and Phase 2b, visit :

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at: www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at: residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing: complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:

www.gov.uk/government/collections/hs2-property

Find out if you're eligible for compensation at: www.gov.uk/claim-compensation-if-affected-by-hs2

Holding us to account

If you are unhappy for any reason you can make a complaint via the helpline. For more details on our complaints process, please visit our website: www.hs2.org.uk/how-to-complain
