

Notice of traffic management on Kingsbury Road

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Balfour Beatty VINCI is working in partnership with HS2 Ltd to build the new high speed railway in your area.

The work we will be doing

We will be working along a section of the A4097 Kingsbury Road, near Junction 9 Dunton Island, to install safety barriers and fencing along the boundary of our working area. These works will require a daytime lane closure for 2 weeks and 1 week of full overnight closures of Kingsbury Road. For the works to be completed in a safe environment, we will be installing temporary traffic management and a diversion route over this period.

When these works will take place

These works will take place between 21 June and 9 July.

The daytime works will be completed between 21 June and 2 July with a lane closure along a section of Kingsbury Road (**see map on page 2**). The traffic management will be moved along the highway, as we complete the works. The traffic management will be removed at the end of each day and installed each morning, during these works.

The overnight works will be completed between 5 July and 9 July with a full closure of this section of Kingsbury Road (**see map on page 3**). The traffic management will direct road users along the diversion route. The traffic management will be removed at the end of each night during these works.

HS2 during the Coronavirus pandemic

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with coronavirus. The Government's current coronavirus strategy makes clear that construction activity can continue as long as it complies with this guidance.

The health and safety of our workforce and the communities we affect is our key priority. Please be assured that those sites that are currently still working are doing so because they can operate within PHE and construction industry guidelines.

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

These works will take place between 21 June to 9 July.

Our working hours for the daytime works will be 9.30am to 3.30pm (Mon-Fri - Daytime) and the overnight works will be 9pm to 5am (Mon – Fri – Overnight).

Our workforce may be on site 1 hour before and after to set up and take down our work equipment.

What to expect

Temporary traffic lights will be in operation over this period.

Some low-level noise will be generated from the work we are completing.

What we will do

Inform you in advance of any changes to the date shown.

Keep all sites safe and secure.

Ask you to register with hs2inwarwickshire.co.uk to receive updates.

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.

www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:

www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
complaints@hs2-cc.org.uk

Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:
