

Notice of works to repair footpath on Canterbury Road

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

Maintenance work on site entrance

From 7 July to 19 July 2021, we will be carrying out work to repair the damaged footpath and ramp next to our site entrance on Canterbury Road. These works are needed to ensure that the poor state of the footpath does not become a safety issue for both local residents, pedestrians and our staff.

A map showing the location of these works is included on the next page.

Work will take place between the hours of 8am and 6pm weekdays and 9am and 5pm on Saturday 10 July.

We will be using an excavator to break and remove the current footpath and curbs, and the access ramp to site. We will then build a new footpath and access ramp with new concrete, tarmac and curbs.

We will use noise barriers and water sprays to minimise noise and dust during these works

Dates mentioned in this notification may change due to unforeseen circumstances. We will continue to provide updates about our works at HS2inKilburn-Northolt.co.uk

If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email hs2enquiries@hs2.org.uk

Duration of works

7 July to 19 July 2020

Working hours

8am to 6pm Monday to Friday

9am to 5pm Saturday 10 July

We may be on site for an hour before the start and /or end of each shift

What to expect

You will notice some additional noise during these works, particularly when we are breaking through concrete, but we will do all we can to minimise disruption

Suspension of parking bays

Temporary footpath closure

What we will do

Continue to monitor our work methods to ensure they are safe and reduce impacts to the local community

Temporary changes to Canterbury Road, Chichester Road, and location map of works

To ensure the safety of the community and our staff during these works, we will be utilising temporary traffic management measures. We will be implementing a three-way traffic light system to help traffic flow around the work area and suspending some of the parking bays on Canterbury Road and Chichester Road. Signage will be in place to advise pedestrians of a temporary footpath closure and safe crossing areas.

Speak with our community engagement team

We are holding monthly virtual one to ones where you can speak with our community engagement team. Our next virtual event will be on **Wednesday 21 July from 3pm to 6pm**. You can book a 20-minute session to speak with our Engagement team about works at Canterbury Works site at Hs2.org.uk/events.

About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>

Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.
www.gov.uk/government/publications/hs2-residents-charter

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:
www.gov.uk/government/collections/hs2-ltd-residents-commissioner

You can contact the Commissioner at:
residentscommissioner@hs2.org.uk

Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:
