# Notice of out of hours delivery at Mandeville Road vent shaft site

June 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within these guidelines are operational. All sites will remain under constant review.

You can sign up for regular updates in your local area at [hs2inkilburnandnortholt.co.uk](http://hs2inkilburnandnortholt.co.uk).

## What we are doing

From 5 to 9 July 2021, we will be receiving delivery of sheet piles at the Mandeville Road vent shaft site, in the area shown on the map overleaf. These deliveries will be outside of core working hours. There will be two deliveries per evening between 7pm and 8pm. To allow the deliveries to be delivered safely, we will be temporarily stopping traffic flow outside of our site to allow the lorries to reverse into site. This is scheduled for 15 mins for each delivery.

## How the work might affect you

The traffic will be held by traffic marshals for 15 mins to allow the lorries to reverse into site. Residents will hear lorries reversing up the access road and a crane will be used to offload the sheet piles.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## About our Community and Business Funds

We are offering two funds that are available to local communities and businesses between the West Midlands and London, to help with the disruption caused by our construction work. These are the Community and Environment Fund (CEF) and the Business and Local Economy Fund (BLEF).

The CEF is designed to give communities the opportunity to share in the benefits of HS2. It is an allocated fund that communities are able to apply for, to help to support local projects that aim to improve their local area.

The BLEF is designed to support local economies that may be disrupted by the construction of HS2. BLEF grants are for local business support organisations and local authorities to help maintain business activity in local communities.

For more information about each of these funds, including how to apply, please visit: <https://www.groundwork.org.uk/hs2funds>
