Footpath diversions and temporary road closure update - Greatworth and surrounding villages

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. In response to COVID -19 we have worked hard to ensure that our working practices are fully aligned with the Site Operating Procedures produced by the Construction Leadership Council. These procedures have been endorsed by Public Health England. We will be keeping our local website www.hs2innorthants.co.uk up to date with information on our works in the local area.

What will we be doing?

We will need to close and divert some footpaths near Greatworth Park and the B4525 Welsh Lane. These closures are required in order to construct internal access roads and to start our main earthworks. They will remain in place for approximately 3 years. A map of the closures and diversion routes is included in this update.

The Greatworth Green Tunnel Compound is near completion and in order for it to become fully operational we need to resurface the entrance junction. Due to width restrictions on the Greatworth / Sulgrave Road, we will be temporarily closing the road for 5 days for the safety of our workforce as well as road users while we complete this work.

Ecological Surveys and vegetation removal will also be taking place along the Greatworth / Sulgrave Road. In order to reduce disruption, we have coordinated our contractors to ensure that this takes place at the same time as the compound entrance resurfacing work.

When will these works take place?

- Footpath AN39 will be closed and footpath AN40 will be diverted from early July 2021 for 3 years.
- Greatworth / Sulgrave Road will be closed from 5 - 9 July including overnight closures.

Duration of works

Normal working hours:
Monday to Friday
8.00am – 6.00pm

Saturdays
8.00am – 1.00pm

Our contractors may also be on site for one hour's start-up and shutdown outside of these times.

Closure of Footpath AN39 and AN40, including the diversion of nearby footpaths from early July 2021 for approximately 3 years.

Greatworth / Sulgrave Road
closed from 5-9 July 2021.

What to expect

Signage to be put in place to clearly identify these changes.
