# Ground Investigation surveys – Ufton

June 2021 | [www.hs2.org.uk](http://www.hs2.org.uk)

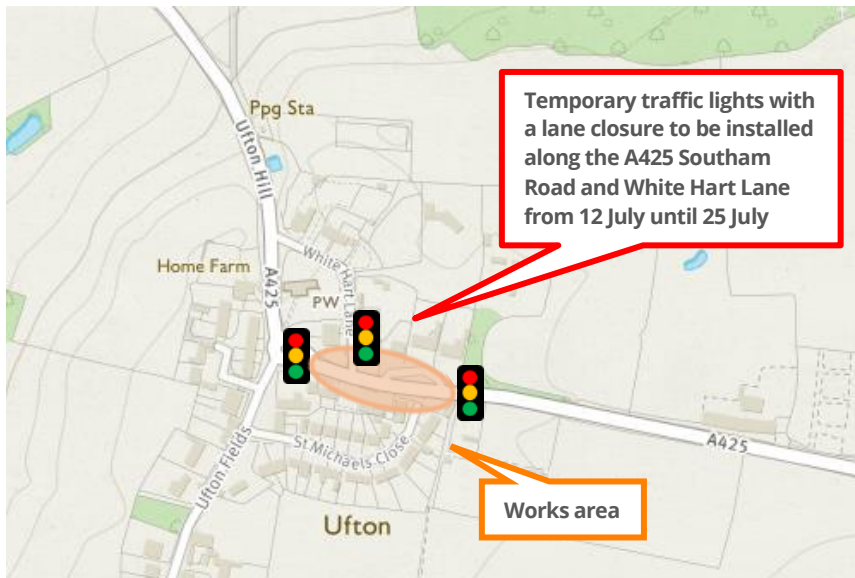

High Speed Two (HS2) is the new high speed railway for Britain. Initial works have now started and are carried out by LM – a joint venture between Laing O'Rourke and J. Murphy & Sons.

LM will be carrying out ground investigation surveys, to determine utility locations, along the A425 Southam Road in Ufton on Monday 12 July to Sunday 25 July 2021. In order to carry out these works safely, three-way traffic lights with a lane closure will be erected daily on the A425 Southam Road and White Hart Lane between 7:00am to 6:00pm. Working hours will be between 8:00am to 6:00pm.

Access will still be maintained for any households and businesses along the road.

Please note that the Balfour Beatty Vinci (BBV) road closure on the A425 at Dallas Burston will still be in place during our works
