

# Notice of increased vehicle movements during extended working hours

High Speed Two (HS2) is the new high speed railway for Britain.

We are continually reviewing the works on our construction sites in line with Government and Public Health England (PHE) advice on dealing with COVID-19. The Government's current strategy makes it clear that construction activity can continue as long as it complies with this guidance. Please be assured that only sites that can operate within the guidelines are operational. All sites will remain under constant review.

## Updates Diaphragm Wall Works

Earlier this year, we notified the community of our programme of piling and diaphragm wall activity as well as the concrete batching plant being constructed at the Old Oak Common Station Site. You can view those notifications here:

- <https://assets.hs2.org.uk/wp-content/uploads/2021/06/03171649/ANL-D-wall-and-Silos-arriving-on-site-final-.pdf>.
- <https://assets.hs2.org.uk/wp-content/uploads/2021/03/03172002/Notice-of-piling-diaphragm-wall-works-Feb-21.pdf>.

The concrete batching plant is still under construction, in preparation for the piling and diaphragm wall works. Once complete, the plant will produce the concrete that is required to reinforce the ground that is being excavated to form the new HS2 Station Box. However, until the plant is fully operational at the end of July, we still require concrete to be delivered to site by concrete lorries.

**If you have a question about HS2 or our works, please contact our HS2 Helpdesk team on 08081 434 434 or email [hs2enquiries@hs2.org.uk](mailto:hs2enquiries@hs2.org.uk)**

## Notification

### Duration of works

To undertake diaphragm wall works, working hours will be extended to between 8am and 10pm Monday to Friday and 8am to 5pm on Saturdays. These works will continue throughout 2021.

### What to expect

There will be an increase in the number of concrete lorries delivering to site throughout July.

There will be an increase in the number of tipper trucks transporting spoil from site to Willesden Euro Terminal throughout 2021.

### What we will do

We will use best practicable means to minimise any impact on our site neighbours

## Increased vehicle movements from Old Oak Common station site

Notification

From 1 to 31 July there will be an increase in concrete deliveries to enable the diaphragm wall activity. Lorries will travel from Victoria Road onto Old Oak Common Lane where they will access the site. These deliveries will assist with the safe completion of large concrete pours required for ground reinforcement works. Deliveries and concrete pours will take place during the extended working hours that were agreed with London Borough of Hammersmith and Fulham (LBHF) in January 2021. This will be from 8am to 10pm Monday to Friday and 8am to 5pm on Saturdays. However, we will only work during the extended hours when necessary and we do not anticipate that the extra hours will be required on every weekday, or Saturday.

The increase in diaphragm wall activity will produce a large amount of excavated material which will need to be removed from site. Therefore, there will be an increase in tipper lorries required to transport excavated waste material to our waste transfer facility at the Willesden Euro Terminal, 1km from site. The tipper lorries will be using Old Oak Lane and Channel Gate Road from 8am to 6pm on Monday to Friday and from 8am to 5pm on Saturdays. This will continue throughout 2021.

Throughout these works, we will monitor to ensure that noise and dust does not exceed current permitted levels. Vehicle wheels will be washed and truck beds covered to prevent an increase in dust.

# Keeping you informed

We are committed to keeping you informed about work on HS2. This includes ensuring you know what to expect and when to expect it, as well as how we can help.

## Residents' Charter and Commissioner

The Residents' Charter is our promise to communicate as clearly as we possibly can with people who live along or near the HS2 route.  
[www.gov.uk/government/publications/hs2-residents-charter](http://www.gov.uk/government/publications/hs2-residents-charter)

We also have an independent Residents' Commissioner whose job is to make sure we keep to the promises we make in the Charter and to keep it under constant review. Find reports at:  
[www.gov.uk/government/collections/hs2-ltd-residents-commissioner](http://www.gov.uk/government/collections/hs2-ltd-residents-commissioner)

You can contact the Commissioner at:  
[residentscommissioner@hs2.org.uk](mailto:residentscommissioner@hs2.org.uk)

## Construction Commissioner

The Construction Commissioner's role is to mediate and monitor the way in which HS2 Ltd manages and responds to construction complaints. You can contact the Construction Commissioner by emailing:  
[complaints@hs2-cc.org.uk](mailto:complaints@hs2-cc.org.uk)

## Property and compensation

You can find out all about HS2 and properties along the line of route by visiting:  
[www.gov.uk/government/collections/hs2-property](http://www.gov.uk/government/collections/hs2-property)  
Find out if you're eligible for compensation at:  
[www.gov.uk/claim-compensation-if-affected-by-hs2](http://www.gov.uk/claim-compensation-if-affected-by-hs2)

## Holding us to account

If you are unhappy for any reason you can make a complaint by contacting our HS2 Helpdesk team. For more details on our complaints process, please visit our website:  
[www.hs2.org.uk/how-to-complain](http://www.hs2.org.uk/how-to-complain)
