Notice of traffic measures in the Interchange area in June and July 2021

June 2021 | www.hs2.org.uk

High Speed Two (HS2) is the new high speed railway for Britain. Early works for HS2 are being carried out by a joint venture between Laing O'Rourke and J. Murphy & Sons, known as LM. In your area, we are working near the A452, A45 and M42, which surround the site of the future HS2 Interchange Station.

We're working across the Interchange area

As part of our preparation works for future construction of the HS2 Interchange Station and railway route, we are undertaking roadside vegetation clearance and environmental surveys, and remodelling and improving sections of the existing road network in the area. To safely carry out our works, we will install traffic measures when necessary.

We'll be working at various locations in June and July

Last month, we informed you that we would install temporary 24-hour traffic lights on a short section of the A452 from Monday 24 May for one week. However, due to unforeseen circumstances, this work was postponed. We will now install these temporary 24-hour traffic lights on a short section of the A452 from **Monday 28 June to Tuesday 6 July** (see map on page 2).

Subject to obtaining the relevant consents, we will also install the following traffic measures in July:

- Temporary lane closures from 9.30am to 3.30pm each weekday, between **Thursday 8 July to Friday 16 July**, along a short section of the A446 northbound near Northway Island (see map on page 2)
- Temporary, phased lane closures from 9.30am to 3.30pm each weekday between **Monday 12 July to Thursday 15 July**, and **Monday 19 July to Tuesday 20 July**, along sections of the A446, A452 and A45 near Stonebridge Island (see map on page 3)

These traffic measures will be carried out in conjunction with a new direction of travel for road users around Northway Island, which commenced on Monday 24 May. For more information about all of our traffic measures in the area, please visit: www.hs2insolihull.co.uk

Notification

Duration of works

From Monday 28 June to Tuesday 20 July a variety of temporary traffic measures will be installed in the Interchange area.

What to expect

Our works will include vegetation clearance, environmental surveys and road improvements at various locations.

Our contractors may be on site up to an hour before and after these times to set up and close down the site at each location.

What we will do

Keep all sites safe and secure.

Leave all work areas in a tidy state when works are complete.

Maintain access to all buildings and businesses in the area.
